"A Girl Like You"

I've never known a girl like you before
Now, just like in a song from days of yore
Here you come a-knocking, knocking on my door
And I've never met a girl like you before

You give me just a taste so I want more
Now my hands are bleeding and my knees are raw
'Cause now you got me crawling, crawling on the floor
And I've never known a girl like you before

You made me acknowledge the devil in me
I hope to God I'm talking metaphorically
Hope that I'm talking allegorically
Know that I'm talking 'bout the way I feel
And I've never known a girl like you before
Never, never, never, never
Never known a girl like you before

This old town's changed so much
Don't feel that I belong
Too many protest singers
Not enough protest songs
And now you've come along
Yes, you've come along
And I've never met a girl like you before

"A Little Respect"

I try to discover
A little something to make me sweeter
Oh baby refrain from breaking my heart
I'm so in love with you
I'll be forever blue
That you give me no reason
Why you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

Soul, I hear you calling
Oh baby please give a little respect to me

And if I should falter
Would you open your arms out to me
We can make love not war
And live at peace with our hearts
I'm so in love with you
I'll be forever blue
What religion or reason
Could drive a man to forsake his lover

Don't you tell me no
Don't you tell me no
Don't you tell me no
Don't you tell me no

Soul, I hear you calling
Oh baby please give a little respect to me

I'm so in love with you
I'll be forever blue
That you give me no reason
You know you're making me work so hard

That you give me no
That you give me no
That you give me no
That you give me no

Soul, I hear you calling
Oh baby please give a little respect to me

Soul, I hear you calling
Oh baby please give a little respect to me

"Alright"

We are young
We run green
Keep our teeth nice and clean
See our friends, see the sights
Feel alright

We wake up, we go out
Smoke a fag, put it out
See our friends, see the sights
Feel alright

Are we like you
I can't be sure?
Of the scene as she turns
We are strange in our worlds

But we are young, we get by
Can't go mad, ain't got time
Sleep around if we like
But we're alright

Got some cash
Bought some wheels
Took it out
'Cross the fields
Lost control, hit a wall
But we're alright

Are we like you
I can't be sure?
Of the scene, as she turns
We are strange in our worlds

But we are young
We run green
Keep our teeth nice and clean
See our friends, see the sights
Feel alright

Are we like you
I can't be sure?
Of the scene, as she turns

We are strange in our world

But we are young

We run green

Keep our teeth nice and clean

See our friends, see the sights

Feel alright

"Champagne Supernova"

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova in the sky

Wake up the dawn and ask her why
A dreamer dreams she never dies
Wipe that tear away now from your eye
Slowly walking down the hall
Faster than a cannon ball
Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova

'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why

How many special people change
How many lives are living strange
Where were you while we were getting high?
Slowly walking down the hall
Faster than a cannon ball

Where were you while we were getting high?

Some day you will find me
Caught beneath the landslide
In a champagne supernova in the sky
Some day you will find me
Caught beneath the landslide
In a champagne supernova
A champagne supernova

'Cause people believe that they're
Gonna get away for the summer
But you and I, we live and die
The world's still spinning round
We don't know why
Why, why, why, why

How many special people change
How many lives are living strange
Where were you while we were getting high?
We were getting high *[repeat until fade]*

"Come Together"

("Abbey Road" Version)

Here come old flat-top, he come groovin' up slowly
He got ju-ju eyeball, he one holy roller
He got hair down to his knee
Got to be a joker, he just do what he please

He wear no shoeshine, he got toe-jam football
He got monkey finger, he shoot Coca-Cola
He say, "I know you, you know me"
One thing I can tell you is you got to be free

Come together, right now
Over me

He bag production, he got walrus gumboot
He got Ono sideboard, he one spinal cracker
He got feet down below his knee
Hold you in his armchair, you can feel his disease

Come together, right now
Over me

Right!

Come, come, come, come...

He roller-coaster, he got early warnin'
He got muddy water, he one mojo filter
He say, "One and one and one is three"
Got to be good-lookin' 'cause he's so hard to see

Come together, right now
Over me

Ugh!

Come together, yeah
Come together, yeah
Come together, yeah
Come together, yeah
Come together, yeah
Come together, yeah

Come together, yeah
Agh!
Come together, yeah
Come together, yeah
Come together...

"Common People"

She came from Greece, she had a thirst for knowledge
She studied sculpture at Saint Martin's College
That's where I
Caught her eye
She told me that her Dad was loaded
I said, "In that case, I'll have rum and Coca-Cola."
She said, "Fine"
And then in thirty-seconds time she said

"I wanna live like common people
I wanna do whatever common people do
Wanna sleep with common people
I wanna sleep with common people like you."
Well, what else could I do?
I said, "I'll... I'll see what I can do."

I took her to a supermarket
I don't know why but I had to start it somewhere
So it started there
I said, "Pretend you got no money."
And she just laughed and said, "Oh, you're so funny."
I said, "Yeah
Well, I can't see anyone else smiling in here
Are you sure?"

You wanna live like common people
You wanna see whatever common people see
Wanna sleep with common people
You wanna sleep with common people like me?
But she didn't understand
And she just smiled and held my hand

Oh, rent a flat above a shop
And cut your hair and get a job
And smoke some fags and play some pool
Pretend you never went to school
But still you'll never get it right
'Cause when you're laid in bed at night
Watching roaches climb the wall
If you called your dad he could stop it all
Yeah

You'll never live like common people
You'll never do what ever common people do
Never fail like common people
You'll never watch your life slide out of view
And then dance, and drink, and screw
Because there's nothing else to do
Oh!

Sing along with the common people
Sing along and it might just get you through
Laugh along with the common people
Laugh along, even though they're laughing at you
And the stupid things that you do
Because you think that poor is cool

Like a dog lying in a corner
They will bite you and never warn you
Look out, they'll tear your insides out
'Cause everybody hates a tourist
Especially one who, who thinks it's all such a laugh
Yeah, and the chip stain's and grease will come out in the bath

You will never understand
How it feels to live your life
With no meaning or control
And with nowhere left to go
You are amazed that they exist
And they burn so bright whilst you can only wonder why

Rent a flat above a shop
Cut your hair and get a job
And smoke some fags and play some pool
Pretend you never went to school
But still you'll never get it right
'Cause when you're laid in bed at night
Watching roaches climb the wall
If you called your dad he could stop it all, yeah

Never live like common people
Never do what common people do
Never fail like common people
Never watch your life slide out of view
And then dance and drink, and screw
Because there's nothing else to do

Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you
Wanna live with common people like you

A la la la la la
Ooooh, la la la la
Ooooh, la la la la
Ooooh, la la-la-la-la la, oh yeah

"Crazy Train"

All aboard, ha-ha-ha-ha-ha-ha
Ayy (Ayy, ayy, ayy, ayy, ayy, ayy)

Crazy, but that's how it goes
Millions of people living as foes
Maybe it's not too late
To learn how to love and forget how to hate

Mental wounds not healing
Life's a bitter shame

I'm going off the rails on a crazy train
I'm going off the rails on a crazy train
(Let's go)

I've listened to preachers, I've listened to fools
I've watched all the dropouts, who make their own rules
One person conditioned to rule and control
The media sells it and you live the role

Mental wounds still screaming
Driving me insane

I'm going off the rails on a crazy train
I'm going off the rails on a crazy train

I know that things are going wrong for me
You gotta listen to my words, yeah, yeah

Heirs of a cold war, that's what we've become
Inheriting troubles, I'm mentally numb
Crazy, I just cannot bear
I'm living with something that just isn't fair

Mental wounds not healing
Who and what's to blame?

I'm going off the rails on a crazy train
I'm going off the rails on a crazy train

Ha-ha-ha-ha-ha-ha-ha
The ledge, ha-ha, the edge, edge

"Dakota"

Thinking back, thinking of you
Summertime think it was June
Yeah think it was June
Laying back, head on the grass
Chewing gum having some laughs
Yeah having some laughs

You made me feel like the one
Made me feel like the one
The one
You made me feel like the one
Made me feel like the one
The one

Drinking back, drinking for two
Drinking with you
When drinking was new
Sleeping in the back of my car
We never went far
Didn't need to go far

You made me feel like the one
Made me feel like the one
The one
You made me feel like the one
Made me feel like the one
The one

I don't know where we are going now
I don't know where we are going now

Wake up call, coffee and juice
Remembering you
What happened to you?
I wonder if we'll meet again
Talk about life since then
Talk about why did it end

You made me feel like the one
Made me feel like the one
The one
You made me feel like the one

Made me feel like the one
The one

I don't know where we are going now
I don't know where we are going now

So take a look at me now
(Repeat)

"Don't Stop Me Now"

Tonight
I'm gonna have myself a real good time
I feel alive
And the world, I'll turn it inside out
Yeah!
I'm floating around
In ecstasy

So don't stop me now, don't stop me
'Cause I'm having a good time, having a good time

I'm a shooting star leaping through the sky
Like a tiger defying the laws of gravity
I'm a racing car passing by
Like Lady Godiva
I'm gonna go, go, go
There's no stopping me

I'm burning through the sky
Yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic man out of you

Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
Just give me a call

Don't stop me now
'Cause I'm having a good time
Don't stop me now
Yes, I'm having a good time
I don't wanna stop at all, yeah!

I'm a rocket ship on my way to Mars
On a collision course
I am a satellite
I'm out of control

I'm a sex machine ready to reload
Like an atom bomb about to-oh-oh-oh-oh-oh explode

I'm burning through the sky
Yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit
I'm traveling at the speed of light
I wanna make a supersonic woman of you

Don't stop me
Don't stop me
Don't stop me
Hey, hey, hey!

Don't stop me
Don't stop me
Ooh, ooh, ooh
I like it

Don't stop me
Don't stop me
Have a good time, good time

Don't stop me
Don't stop me

Ooh, let loose, honey, alright

Oh, I'm burning through the sky
Yeah!
Two hundred degrees
That's why they call me Mister Fahrenheit (Hey)
Traveling at the speed of light
I wanna make a supersonic man out of you (Hey, hey)

Don't stop me now
I'm having such a good time
I'm having a ball
Don't stop me now
If you wanna have a good time
Alright
Just give me a call

Don't stop me now
'Cause I'm having a good time (Hey, hey)
Don't stop me now
Yes, I'm having a good time
I don't wanna stop at all

Ah, da, da, da, da
Da, da, ah, ah
Ah, da, da, ah, ah, ah
Ah, da, da
Ah, da, da, ah, ah
Ooh, ooh-ooh, ooh-ooh

"Fix You"

When you try your best, but you don't succeed
When you get what you want, but not what you need
When you feel so tired, but you can't sleep
Stuck in reverse
And the tears come streaming down your face
When you lose something you can't replace
When you love someone, but it goes to waste
Could it be worse?

Lights will guide you home
And ignite your bones
And I will try to fix you

And high up above or down below
When you're too in love to let it go
But if you never try you'll never know
Just what you're worth

Lights will guide you home
And ignite your bones
And I will try to fix you

Tears stream down your face
When you lose something you cannot replace
Tears stream down your face and I
Tears stream down your face
I promise you I will learn from my mistakes
Tears stream down your face and I

Lights will guide you home
And ignite your bones
And I will try to fix you

"Friday I'm In Love"

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday I don't care about you
It's Friday I'm in love

Monday you can fall apart
Tuesday, Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love

Saturday wait
And Sunday always comes too late
But Friday never hesitate...

I don't care if Monday's black
Tuesday, Wednesday heart attack
Thursday never looking back
It's Friday I'm in love

Monday you can hold your head
Tuesday, Wednesday stay in bed
Or Thursday watch the walls instead
It's Friday I'm in love

Saturday wait
And Sunday always comes too late
But Friday never hesitate...

Dressed up to the eyes
It's a wonderful surprise
To see your shoes and your spirits rise
Throwing out your frown
And just smiling at the sound
And as sleek as a shriek
Spinning round and round
Always take a big bite
It's such a gorgeous sight
To see you eat in the middle of the night
You can never get enough
Enough of this stuff
It's Friday
I'm in love

I don't care if Monday's blue
Tuesday's grey and Wednesday too
Thursday I don't care about you
It's Friday, I'm in love

Monday you can fall apart
Tuesday, Wednesday break my heart
Thursday doesn't even start
It's Friday I'm in love

"High & Dry"

Two jumps in a week, I bet you
Think that's pretty clever, don't you, boy
Flying on your motorcycle
Watching all the ground beneath you drop
You'd kill yourself for recognition
Kill yourself to never, ever stop
You broke another mirror
You're turning into something you are not

Don't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dry

Drying up in conversation
You will be the one who cannot talk
All your insides fall to pieces
You just sit there wishing you could still make love
They're the ones who'll hate you
When you think you've got the world all sussed out
They're the ones who'll spit at you
You will be the one screaming out

Don't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dry

Oh, it's the best thing that you've ever had
The best thing that you've ever, ever had
It's the best thing that you've ever had
The best thing you've had has gone away

So don't leave me high
Don't leave me dry
Don't leave me high
Don't leave me dry
Don't leave me high
Don't leave me high
Don't leave me dry

"Just"

Can't get the stink off
He's been hanging 'round for days
Comes like a comet
Suckered you but not your friends

One day he'll get to you
And teach you how to be a holy cow

You do it to yourself, you do
And that's why it really hurts
Is that you do it to yourself, just you
You and no one else
You do it to yourself
You do it to yourself

Don't get my sympathy
Hanging out the fifteenth floor
You've changed the locks three times
He still comes reeling through the door

One day I'll get to you
And teach you how to get to purest hell

You do it to yourself, you do
And that's why it really hurts
Is that you do it to yourself, just you
You and no one else
You do it to yourself
You do it to yourself

You do it to yourself, you do
And that's why it really hurts
Is that you do it to yourself, just you
You and no one else
You do it to yourself
You do it to yourself
Self

"Lucky Man"

Happiness
More or less
It's just a change in me
Something in my liberty
Oh, my, my
Happiness
Coming and going
I watch you look at me
Watch my fever growing
I know just where I am

But how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind?

Well, I'm a lucky man
With fire in my hands

Happiness
Something in my own place
I'm standing naked
Smiling, I feel no disgrace
With who I am

Happiness
Coming and going
I watch you look at me
Watch my fever growing
I know just who I am

But how many corners do I have to turn?
How many times do I have to learn
All the love I have is in my mind?

I hope you understand
I hope you understand

Gotta love that'll never die

Happiness
More or less
It's just a change in me

Something in my liberty
Happiness
Coming and going
I watch you look at me
Watch my fever growing
I know
Oh, my, my
Oh, my, my
Oh, my, my
Oh, my, my

Gotta love that'll never die
Gotta love that'll never die
No, no
I'm a lucky man

It's just a change in me
Something in my liberty
It's just a change in me
Something in my liberty
It's just a change in me
Something in my liberty
Oh, my, my
Oh, my, my
It's just a change in me
Something in my liberty
Oh, my, my
Oh, my, my

"Naïve"

I'm not saying it was your fault
Although you could have done more
Oh, you're so naïve yet so
How could this be done
By such a smiling sweetheart?
Oh, and your sweet and pretty face
Is such an ugly word for something so beautiful
That every time I look inside

I know she knows that I'm not fond of asking
And true or false, it may be, well, she's still out to get me
And I know she knows that I'm not fond of asking
True or false, it may be, she's still out to get me

I may say it was your fault
Because I know you could have done more
Oh, you're so naïve, yet so
How could this be done
By such a smiling sweetheart?
Oh, and your sweet and pretty face
Is such an ugly word for something so beautiful
That every time I look inside

I know she knows that I'm not fond of asking
And true or false, it may be, well, she's still out to get me
And I know she knows that I'm not fond of asking
True or false, it may be, she's still out to get me

So how could this be done
By such a smiling sweetheart?
Oh, you're so naïve, yet so
Is such an ugly thing for someone so beautiful
That every time you're on his side

I know she knows that I'm not fond of asking
True or false, it may be, well, she's still out to get me
And I know she knows that I'm not fond of asking
True or false, it may be, she's still out to get me

Just don't let me down, just don't let me down
Hold on to your kite
Just don't let me down, just don't let me down

Hold on to your kite, hey, girl, hold on
Just don't let me down, just don't let me down
Hold on to this kite, let it go
Just don't let me down, just don't let me down

"Only Happy When It Rains"

I'm only happy when it rains
I'm only happy when it's complicated
And though I know you can't appreciate it
I'm only happy when it rains

You know I love it when the news is bad
And why it feels so good to feel so sad
I'm only happy when it rains

Pour your misery down, pour your misery down on me
Pour your misery down, pour your misery down on me

I'm only happy when it rains
I feel good when things are going wrong
I only listen to the sad, sad songs
I'm only happy when it rains

I only smile in the dark
My only comfort is the night gone black
I didn't accidentally tell you that
I'm only happy when it rains

You'll get the message by the time I'm through
When I complain about me and you
I'm only happy when it rains

Pour your misery down (Pour your misery down)
Pour your misery down on me (Pour your misery down)
Pour your misery down (Pour your misery down)
Pour your misery down on me (Pour your misery down)
Pour your misery down
(Pour your misery down)
Pour your misery down on me
(Pour your misery down)
Pour your misery down
(Pour)

You can keep me company
As long as you don't care

I'm only happy when it rains
You wanna hear about my new obsession?

I'm riding high upon a deep depression
I'm only happy when it rains

(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
(Pour some misery down on me)
(Pour some misery down on me)
(Pour some misery down on me)
I'm only happy when it rains
(Pour some misery down on me)
(Pour some misery down on me)
(Pour some misery down on me)

Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul

I was left to my own devi-i-i-ces
Many days fell away with nothing to show

And the walls kept tumbling down
In the city that we love
Gray clouds roll over the hills
Bringing darkness from above

But if you close your eyes
Does it almost feel like
Nothing changed at all?
And if you close your eyes
Does it almost feel like
You've been here before?
How am I gonna be an optimist about this?
How am I gonna be an optimist about this?

We were caught up and lost in all of our vices
In your pose as the dust settled around us

And the walls kept tumbling down
In the city that we love
Gray clouds roll over the hills
Bringing darkness from above

But if you close your eyes
Does it almost feel like
Nothing changed at all?
And if you close your eyes
Does it almost feel like
You've been here before?
How am I gonna be an optimist about this?
How am I gonna be an optimist about this?

Eheu aul aul
Eheu aul aul
Eheu aul aul
Eheu aul aul

Oh where do we begin?
The rubble or our sins?
Oh oh where do we begin?
The rubble or our sins?

And the walls kept tumbling down (oh where do we begin?)
In the city that we love (the rubble or our sins?)
Gray clouds roll over the hills (oh where do we begin?)
Bringing darkness from above (the rubble or our sins?)

But if you close your eyes
Does it almost feel like
Nothing changed at all?
And if you close your eyes
Does it almost feel like
You've been here before?
How am I gonna be an optimist about this?
How am I gonna be an optimist about this?

If you close your eyes, does it almost feel like nothing changed at all?

"Pure Shores"

I've crossed the deserts for miles
Swam water for time
Searching places to find
A piece of something to call mine
(I'm coming)
A piece of something to call mine
(I'm coming)
(I'm coming)
(Coming closer to you)
Went along many moors
Walked through many doors
The place where I wanna be
Is the place I can call mine
(I'm coming)
Is the place I can call mine
(I'm coming)
(I'm coming)
Coming closer to you

I'm moving
I'm coming
Can you hear, what I hear
It's calling you my dear
Out of reach
(Take me to my beach)
I can hear it, calling you
I'm coming not drowning
Swimming closer to you

Never been here before
I'm intrigued, I'm unsure
I'm searching for more
I've got something that's all mine
I've got something that's all mine
Take me somewhere I can breathe
I've got so much to see
This is where I want to be
In a place I can call mine
In a place I can call mine

I'm moving
I'm coming
Can you hear, what I hear
It's calling you my dear
Out of reach
(Take me to my beach)
I can hear it, calling you
I'm coming not drowning
Swimming closer to you
Moving, coming
Can you hear what I hear?
Hear it out of reach
I hear it calling you
Swimming closer to you

Many faces I have seen
Many places I have been
Walked the deserts, swam the shores
(Coming closer to you)
Many faces I have known
Many way in which I've grown
Moving closer on my own
(Coming closer to you)

I move it
I feel it
I'm coming
Not drowning
I move it
I feel it
I'm coming
Not drowning

I'm moving
I'm coming
Can you hear, what I hear
It's calling you my dear
Out of reach
(Take me to my beach)
I can hear it, calling you
I'm coming not drowning
Swimming closer to you
Moving, coming
Can you hear what I hear?

Hear it out of reach
I hear it calling you
Swimming closer to you

"Ready To Go"

You're weird, in tears, too near and too far away
He said, saw red, went home stayed in bed all day
Your T-shirt, dish dirt
Always love the one you hurt

It's a crack, I'm back yeah standing
On the rooftops shouting out
Baby I'm ready to go
I'm back and ready to go
From the rooftops shout it out
It's a crack, I'm back yeah standing
On the rooftops having it
Baby I'm ready to go
I'm back and ready to go
From the rooftops shout it out, shout it out

You sleep, too deep, one week is another world
Big mouth, big mouth, drop out, drop out
You get what you deserve
You're strange, insane, one thing you can never change

It's a crack, I'm back yeah standing
On the rooftops shouting out
Baby I'm ready to go
I'm back and ready to go
From the rooftops shout it out
It's a crack, I'm back yeah standing
On the rooftops having it
Baby I'm ready to go
I'm back and ready to go
From the rooftops shout it out, shout it out

Abused, confused, always love the one that
Hurt ya hurt ya hurt ya

It's a crack, baby I'm ready to go
Baby I'm ready to go

"She Drives Me Crazy"

I can't stop
The way I feel
Things you do
Don't seem real

Tell you what I got in mind
'Cause we're runnin' out of time
Won't you ever set me free?
This waitin' 'round's killin' me

She drives me crazy
Like no one else
She drives me crazy
And I can't help myself

I can't get
Any rest
People say
I'm obsessed

Everything you say is lies
But to me that's no surprise
What I had for you was true
Things go wrong, they always do

She drives me crazy
Like no one else
She drives me crazy
And I can't help myself

I won't make it
On my own
No one likes
To be alone

She drives me crazy
Like no one else
She drives me crazy
And I can't help myself

She drives me crazy
Like no one else

She drives me crazy
And I can't help myself

She drives me crazy
Like no one else
She drives me crazy
And I can't help myself

"Somewhere Only We Know"

I walked across an empty land
I knew the pathway like the back of my hand
I felt the earth beneath my feet
Sat by the river and it made me complete

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

I came across a fallen tree
I felt the branches of it looking at me
Is this the place we used to love?
Is this the place that I've been dreaming of?

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

And if you have a minute why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go
Somewhere only we know?
Somewhere only we know?

Oh simple thing where have you gone?
I'm getting old and I need something to rely on
So tell me when you're gonna let me in
I'm getting tired and I need somewhere to begin

And if you have a minute why don't we go
Talk about it somewhere only we know?
This could be the end of everything
So why don't we go?
So why don't we go?

Ah-ah-ah
Ah-ah-ah

This could be the end of everything

So why don't we go
Somewhere only we know?
Somewhere only we know?
Somewhere only we know?

"Stand By Me"

Made a meal and threw it up on Sunday
I've got a lot of things to learn
Said I would and I'll be leaving one day
Before my heart starts to burn

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Times are hard when things have got no meaning
I've found a key upon the floor
Maybe you and I will not believe in
The things we find behind the door

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, nobody knows, the way it's gonna be

If you're leaving will you take me with you?
I'm tired of talking on my phone
There is one thing I can never give you
My heart will never be your home

So what's the matter with you?
Sing me something new
Don't you know the cold and wind and rain don't know
They only seem to come and go away

Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, nobody knows, the way it's gonna be

The way it's gonna be, yeah
Maybe I can see, yeah
Don't you know the cold and wind and rain don't know
They only seem to come and go away (hey, hey)

Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows the way it's gonna be
Stand by me, nobody knows
Yeah, God only knows, the way it's gonna be

"Stupid Girl"

You pretend you're high
Pretend you're bored
Pretend you're anything
Just to be adored
And what you need
Is what you get

Don't believe in fear
Don't believe in faith
Don't believe in anything
That you can't break

You stupid girl
You stupid girl
All you had, you wasted
All you had, you wasted

What drives you on (drives you on)
Can drive you mad (drive you mad)
A million lies to sell yourself
Is all you ever had

Don't believe in love
Don't believe in hate
Don't believe in anything
That you can't waste

You stupid girl
You stupid girl
Can't believe you fake it
Can't believe you fake it

Don't believe in fear
Don't believe in pain
Don't believe in anyone
That you can't tame

You stupid girl
You stupid girl
All you had, you wasted
All you had, you wasted
You stupid girl

You stupid girl
I can't believe you fake it
I can't believe you fake it
Stupid girl
You stupid girl
Can't believe you fake it
Can't believe you fake it

You stupid girl

"Suddenly I See"

Her face is a map of the world
Is a map of the world
You can see she's a beautiful girl
She's a beautiful girl

And everything around her is a silver pool of light
The people who surround her feel the benefit of it
It makes you calm
She holds you, captivated in her palm

Suddenly I see (Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me
(Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me

I feel like walking the world
Like walking the world
And you can hear she's a beautiful girl
She's a beautiful girl

She fills up every corner like she's born in black and white
Makes you feel warmer
When you're trying to remember what you heard
She likes to leave you hanging on her word

Suddenly I see (Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me
(Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me

And she's taller than most
And she's looking at me
I can see her eyes looking from the page of a magazine
She makes me feel like I could be a tower

A big strong tower, yeah
The power to be, the power to give
The power to see, yeah, yeah (Suddenly I see)
She got the power to be, the power to give
The power to see, yeah, yeah (Suddenly I see)
She got the power to be, the power to give
The power to see, yeah, yeah, yeah (Suddenly I see)
She got the power to be, the power to give
The power to see, yeah, yeah (Suddenly I see)
She got the power to be, the power to give
The power to see, yeah, yeah

Suddenly I see (Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me
(Suddenly I see)
This is what I wanna be
Suddenly I see (Suddenly I see)
Why the hell it means so much to me
Oh, oh, oh, yeah, yeah (Suddenly I see)
Suddenly I see (Suddenly I see)
Why the hell it means so much to me, yeah yeah (Suddenly I see)
Suddenly I see (Suddenly I see)
Why the hell it means so much to me

"There She Goes"

There she goes
There she goes again
Racing through my brain
And I just can't contain
This feeling that remains

There she blows (there she blows again)
There she blows again (there she blows again)
Pulsing through my vein (there she blows again)
And I just can't contain
This feeling that remains

There she goes
There she goes again
She calls my name
Pulls my train
No one else could heal my pain
But I just can't contain
This feeling that remains

There she goes
There she goes again
Chasing down my lane
And I just can't contain
This feeling that remains

There she goes (there she goes again)
There she goes (there she goes again)
There she goes (there she goes again)

"Time Is Running Out"

I think I'm drowning
Asphyxiated
I wanna break this spell
That you've created

You're something beautiful
A contradiction
I wanna play the game
I want the friction

You will be the death of me
Yeah, you will be the death of me

Bury it
I won't let you bury it
I won't let you smother it
I won't let you murder it

Our time is running out
Our time is running out
You can't push it underground
You can't stop it screaming out

I wanted freedom
Bound and restricted
I tried to give you up
But I'm addicted

Now that you know I'm trapped sense of elation
You'd never dream of
Breaking this fixation

You will squeeze the life out of me

Bury it
I won't let you bury it
I won't let you smother it
I won't let you murder it

Our time is running out
Our time is running out
You can't push it underground

You can't stop it screaming out
How did it come to this?
Oh oh oh.. yeah yeah yeah yeah yeah
Oh oh oh.. yeah yeah yeah yeah yeah
Oh oh oh.. yeah yeah.. yeah yeah yeah

Yeah, you will suck the life out of me

Bury it
I won't let you bury it
I won't let you smother it
I won't let you murder it

Our time is running out
Our time is running out
You can't push it underground
You can't stop it screaming out
How did it come to this?
Oh oh oh.. yeah yeah yeah yeah yeah
Oh oh oh.. yeah yeah yeah yeah yeah
Oh oh oh.. yeah yeah.. yeah yeah yeah

"Waking Up"

I'd work very hard, but I'm lazy
I can't take the pressure and it's starting to show
In my heart, you know how it pains me
A life of leisure is no life you know

Waking up and getting up has never been easy
Oh, I think you should know
Waking up and getting up has never been easy
Oh, I think you should know
Oh, I think you should go
Make a cup of tea, put a record on

I'd work very hard, but I'm lazy
I've got a lot of songs but they're all in my head
I'll get a guitar, and a lover who pays me
If I can't be a star I won't get out of bed

Waking up and getting up has never been easy
Oh, I think you should know
Waking up and getting up has never been easy
Oh, I think you should know
Oh, I think you should go
Make a cup of tea, put a record on

Waking up and getting up has never been easy
Oh, I think you should know
Waking up and getting up has never been easy
Oh, I think you should know
Oh, I think you should go
Make a cup of tea, put a record on

"Why Does It Always Rain On Me?"

I can't sleep tonight
Everybody saying everything's alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all these lights
Sunny days
Where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning

I can't stand myself
I'm being held up by invisible men
Still life on a shelf when
I got my mind on something else
Sunny days
Oh where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning

Oh, where did the blue skies go?
And why is it raining so?
It's so cold

I can't sleep tonight
Everybody saying everything's alright
Still I can't close my eyes
I'm seeing a tunnel at the end of all these lights
Sunny days
Where have you gone?
I get the strangest feeling you belong

Why does it always rain on me?
Is it because I lied when I was seventeen?

Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning

Oh, where did the blue sky go?
And why is it raining so?
It's so cold

Why does it always rain on me?
Is it because I lied when I was seventeen?
Why does it always rain on me?
Even when the sun is shining
I can't avoid the lightning

Why does it always rain on me?
Why does it always rain on
Oh oh
