26. Wonderwall – Oasis
27. Yellow – Coldplay
28. Use Somebody – Kings of Leon
29. Shut Up and Dance – Walk the Moon
30. I Want It That Way – Backstreet Boys

1. "All That She Wants"

She leads a lonely life
She leads a lonely life

When she woke up late in the morning light
And the day had just begun
She opened up her eyes and thought
Oh what a morning

It's not a day for work
It's a day for catching tan
Just laying on the beach and having fun
She's going to get you

All that she wants is another baby
She's gone tomorrow
Boy all that she wants is another baby yeah
All that she wants is another baby
She's gone tomorrow
Boy all that she wants is another baby yeah

So if you are in sight and the day is right
She's a hunter, you're the fox
The gentle voice that talks to you
Won't talk forever

It is the night for passion
But the morning means goodbye
Beware of what is flashing in her eyes
She's going to get you

All that she wants is another baby
She's gone tomorrow
Boy all that she wants is another baby yeah
All that she wants is another baby
She's gone tomorrow
Boy all that she wants is another baby yeah

Ohhh

Ohhh

All that she wants is another baby (Another baby yeah)

She's gone tomorrow

Boy all that she wants is another baby (Another baby yeah)

All that she wants is another baby (Another baby yeah)

She's gone tomorrow

Boy all that she wants is another baby (Another baby yeah)

All that she wants

All that she wants

2. "All The Small Things"

All the small things
True care, truth brings
I'll take one lift
Your ride, best trip
Always, I know
You'll be at my show
Watching, waiting
Commiserating

Say it ain't so, I will not go
Turn the lights off, carry me home

Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na

Late night, come home
Work sucks, I know
She left me roses by the stairs
Surprises let me know she cares

Just say it ain't so, I will not go
Turn the lights off, carry me home

Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na
Na na, na na, na na, na na, na, na

Say it ain't so, I will not go
Turn the lights off, carry me home
Keep your head still, I'll be your thrill
The night will go on, my little windmill

(Na na, na na, na na, na na, na, na)

Say it ain't so, I will not go

(Na na, na na, na na, na na, na, na)

Turn the lights off, carry me home

(Na na, na na, na na, na na, na, na)

Keep your head still, I'll be your thrill

(Na na, na na, na na, na na, na, na)

The night will go on, the night will go on, my little windmill

3. "Baby One More Time"

Oh, baby, baby
Oh, baby, baby

Oh, baby, baby
How was I supposed to know
That something wasn't right here?
Oh, baby, baby
I shouldn't have let you go
And now you're out of sight, yeah

Show me how you want it to be
Tell me, baby
'Cause I need to know now, oh, because

My loneliness
Is killing me and I
I must confess
I still believe, still believe
When I'm not with you I lose my mind
Give me a sign
Hit me, baby, one more time

Oh, baby, baby
The reason I breathe is you
Boy, you got me blinded
Oh, pretty baby
There's nothing that I wouldn't do
It's not the way I planned it

Show me how you want it to be
Tell me, baby
'Cause I need to know now, oh, because

My loneliness
Is killing me and I
I must confess

I still believe, still believe
When I'm not with you I lose my mind
Give me a sign
Hit me, baby, one more time

Oh, baby, baby
Oh, baby, baby
Ah, yeah, yeah

Oh, baby, baby
How was I supposed to know?
Oh, pretty baby
I shouldn't have let you go

I must confess
That my loneliness
Is killing me now
Don't you know I still believe
That you will be here
And give me a sign?
Hit me, baby, one more time

My loneliness
Is killing me and I
I must confess
I still believe, still believe
When I'm not with you I lose my mind
Give me a sign
Hit me, baby, one more time

I must confess
That my loneliness
Is killing me now
Don't you know I still believe
That you will be here
And give me a sign?
Hit me, baby, one more time

4. "Back For Good"

I guess now it's time for me to give up

I feel it's time

Got a picture of you beside me

Got your lipstick mark still on your coffee cup

Got a fist of pure emotion

Got a head of shattered dreams

Gotta leave it, gotta leave it all behind now

Whatever I said, whatever I did I didn't mean it

I just want you back for good

(Want you back, want you back, want you back for good)

Whenever I'm wrong just tell me the song and I'll sing it

You'll be right and understood

(Want you back, want you back, want you back for good)

I want you back for good

Unaware but underlined I figured out this story (No, no)

It wasn't good (No, no)

But in the corner of my mind (corner of my mind)

I celebrated glory

But that was not to be

In the twist of separation you excelled at being free

Can't you find

(Can't you find)

A little room inside for me

Whatever I said, whatever I did I didn't mean it

I just want you back for good

(Want you back, want you back, want you back for good)

See I want you back for good

Whenever I'm wrong just tell me the song and I'll sing it

You'll be right and understood

(Want you back, want you back, want you back for good)

I want you back for good

And we'll be together, this time is forever

We'll be fighting and forever we will be
So complete in our love
We will never be uncovered again

Whatever I said, whatever I did I didn't mean it
I just want you back for good
Whenever I'm wrong just tell me the song and I'll sing it
You'll be right and understood

I guess now it's time, that you came back for good

5. "Can't Get You Out Of My Head"

I just can't get you out of my head
Boy, your lovin' is all I think about
I just can't get you out of my head
Boy, it's more than I dare to think about

I just can't get you out of my head
Boy, your loving is all I think about
I just can't get you out of my head
Boy, it's more than I dare to think about

Every night, every day
Just to be there in your arms

Won't you stay?
Won't you lay?
Stay forever and ever and ever and ever

I just can't get you out of my head
Boy, your lovin' is all I think about
I just can't get you out of my head
Boy, it's more than I dare to think about

There's a dark secret in me
Don't leave me locked in your heart

Set me free
Feel the need in me
Set me free
Stay forever and ever and ever and ever

I just can't get you out of my head
I just can't get you out of my head
I just can't get you out of my head
I just can't get you out of my head

6. "Don't Stop Believin'"

Just a small-town girl
Livin' in a lonely world
She took the midnight train goin' anywhere

Just a city boy
Born and raised in South Detroit
He took the midnight train goin' anywhere

A singer in a smokey room
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlight people
Livin' just to find emotion
Hidin' somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time

Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlight people
Livin' just to find emotion

Hidin' somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlight people

Don't stop believin'
Hold on
Streetlight people

Don't stop believin'
Hold on to that feelin'
Streetlight people

7. "Faith"

Well, I guess it would be nice if I could touch your body
I know not everybody has got a body like you
But I gotta think twice before I give my heart away
And I know all the games you play because I played them too

Oh, but I need some time off from that emotion
Time to pick my heart up off the floor
Oh, when that love comes down without devotion
Well it takes a strong man, baby
But I'm showin' you the door

'Cause I gotta' have faith
I gotta have faith
Because I gotta have faith, faith, faith
I got to have faith, faith, faith

Baby, I know you're askin' me to stay
Say, "Please, please, please don't go away"
You say I'm givin' you the blues
Maybe (Huh) you mean every word you say
Can't help but think of yesterday
And another who tied me down to loverboy rules

Before this river becomes an ocean
Before you throw my heart back on the floor
Oh, baby, I reconsider my foolish notion
Well, I need someone to hold me
But I'll wait for somethin' more

Yes I gotta have faith
Ooh, I gotta have faith
Because I gotta have faith, faith, faith
I gotta have faith, faith, faith

I'll just have to wait
Because I've got to have faith

I gotta have faith
I've got to, got to, got to have faith

Before this river becomes an ocean
Before you throw my heart back on the floor
Oh, oh, baby, I reconsider my foolish notion
Well, I need someone to hold me
But I'll wait for somethin' more

'Cause I gotta' have faith
Ooh, I gotta have faith
Because I gotta have faith, faith, faith
I gotta have faith, faith, faith

8. "How Do I Live"

How do I get through one night without you?
If I had to live without you
What kind of life would that be?

Oh, I, I need you in my arms, need you to hold
You're my world, my heart, my soul and if you ever leave
Baby, you would take away everything good in my life
And tell me now

How do I live without you? I want to know
How do I breathe without you if you ever go?
How do I ever, ever survive?
How do I, how do I, oh, how do I live?

Without you, there'd be no sun in my sky
There would be no love in my life
There'd be no world left for me

And I, baby, I don't know what I would do
I'd be lost if I lost you, if you ever leave
Baby, you would take away everything real in my life
And tell me now

How do I live without you? I want to know
How do I breathe without you if you ever go?
How do I ever, ever survive?
How do I, how do I, oh, how do I live?

Please, tell me, baby
How do I go on if you ever leave?
Baby, you would take away everything, I need you with me
Baby, don't you know that you're everything good in my life?
And tell me now

How do I live without you? I want to know
How do I breathe without you if you ever go

How do I ever, ever survive?

How do I, how do I, oh, how do I live?

How do I live without you?

How do I live without you, baby?

How do I live?

9. "If I Could Turn Back Time"

If I could turn back time
If I could find a way
I'd take back those words that've hurt you
And you'd stay

I don't know why I did the things I did
I don't know why I said the things I said
Pride's like a knife it can cut deep inside
Words are like weapons they wound sometimes

I didn't really mean to hurt you
I didn't wanna see you go
I know I made you cry, but baby

If I could turn back time
If I could find a way
I'd take back those words that've hurt you
And you'd stay
If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do

If I could turn back time

My world was shattered I was torn apart
Like someone took a knife and drove it deep in my heart
You walked out that door I swore that I didn't care
But I lost everything darling then and there

Too strong to tell you I was sorry
Too proud to tell you I was wrong
I know that I was blind, and darling

If I could turn back time
If I could find a way

I'd take back those words that've hurt you
And you'd stay
If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do

Oh

If I could turn back time
If I could turn back time
If I could turn back time
Oh baby

I didn't really mean to hurt you
I didn't want to see you go
I know I made you cry, but oh

If I could turn back time
If I could find a way
I'd take back those words that've hurt you
If I could reach the stars
I'd give them all to you
Then you'd love me, love me
Like you used to do

If I could turn back time (Turn back time)
If I could find a way (Find a way)
Then maybe, maybe, maybe
You'd stay
Reach the stars
If I could reach the stars...

10. "Jolene"

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

Your beauty is beyond compare
With flaming locks of auburn hair
With ivory skin and eyes of emerald green

Your smile is like a breath of spring
Your voice is soft like summer rain
And I cannot compete with you, Jolene

He talks about you in his sleep
There's nothing I can do to keep
From crying when he calls your name, Jolene

And I can easily understand
How you could easily take my man
But you don't know what he means to me, Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man
Jolene, Jolene, Jolene, Jolene
Please don't take him just because you can

You could have your choice of men
But I could never love again
He's the only one for me, Jolene

I had to have this talk with you
My happiness depends on you
And whatever you decide to do, Jolene

Jolene, Jolene, Jolene, Jolene
I'm begging of you please don't take my man

Jolene, Jolene, Jolene, Jolene
Please don't take him even though you can

Jolene, Jolene

11. **"Like A Virgin"**

I made it through the wilderness
Somehow I made it through
Didn't know how lost I was until I found you
I was beat, incomplete, I'd been had
I was sad and blue, but you made me feel
Yeah, you made me feel shiny and new

Like a virgin
Touched for the very first time
Like a virgin
When your heart beats next to mine

Gonna give you all my love, boy
My fear is fading fast
Been saving it all for you, 'cause only love can last
You're so fine and you're mine
Make me strong, yeah, you make me bold
Oh, your love thawed out
Yeah, your love thawed out what was scared and cold

Like a virgin (hey)
Touched for the very first time
Like a virgin
With your heartbeat next to mine

You're so fine and you're mine
I'll be yours 'til the end of time
'Cause you made me feel
Yeah, you made me feel I've nothing to hide

Like a virgin (hey)
Touched for the very first time
Like a virgin
With your heartbeat next to mine

Like a virgin

Like a virgin

Feels so good inside

When you hold me, and your heart beats, and you love me

Ooh, baby yeah

Can't you hear my heart beat for the very first time?

12. "Let It Go"

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried!

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know!

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door!

I don't care
What they're going to say
Let the storm rage on
The cold never bothered me anyway!

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all!

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me I'm free!

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry!

Here I stand
And here I'll stay
Let the storm rage on!

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back
The past is in the past!

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone!

Here I stand
In the light of day
Let the storm rage on
The cold never bothered me anyway!

13. "Man In The Mirror"

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I turn up the collar on
My favorite winter coat
This wind is blowing my mind
I see the kids in the street
With not enough to eat
Who am I to be blind
Pretending not to see their needs?

A summer's disregard
A broken bottle top
And one man's soul
They follow each other on the wind you know
'Cause they got nowhere to go
That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change

Na-na-na na-na-na nana-nana

I've been a victim of
A selfish kind of love
It's time that I realize
There are some with no home
Not a nickel to loan
Could it be really me
Pretending that they're not alone?

A willow deeply scarred
Somebody's broken heart
And a washed-out dream
(Washed-out dream)
They follow the pattern of the wind
You see
'Cause they got no place to be
That's why I'm starting with me

I'm starting with the man in the mirror (Who?)
I'm asking him to change his ways (Who?)
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a change

I'm starting with the man in the mirror (Who?)
I'm asking him to change his ways (Who?)
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make that change

I'm starting with the man in the mirror (Man in the mirror, oh yeah)
I'm asking him to change his ways
(Cause you better change!)
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make the change

14. **"Man! I Feel Like A Woman!"**

Let's go girls! Come on

I'm going out tonight
I'm feelin' alright
Gonna let it all hang out
Wanna make some noise
Really raise my voice
Yeah, I wanna scream and shout
No inhibitions
Make no conditions
Get a little outta line
I ain't gonna act politically correct
I only wanna have a good time

The best thing about being a woman
Is the prerogative to have a little fun

Oh, oh, oh, go totally crazy
Forget I'm a lady
Men's shirts
Short skirts
Oh, oh, oh, really go wild
Yeah, doin' it in style
Oh, oh, oh, get in the action
Feel the attraction
Color my hair
Do what I dare
Oh, oh, oh, I wanna be free
Yeah, to feel the way I feel
Man! I feel like a woman!

The girls need a break
Tonight we're gonna take
The chance to get out on the town
We don't need romance
We only wanna dance

We're gonna let our hair hang down

The best thing about being a woman
Is the prerogative to have a little fun

Oh, oh, oh, go totally crazy

Forget I'm a lady

Men's shirts

Short skirts

Oh, oh, oh, really go wild

Yeah, doin' it in style

Oh, oh, oh, get in the action

Feel the attraction

Color my hair

Do what I dare

Oh, oh, oh, I wanna be free

Yeah, to feel the way I feel

Man! I feel like a woman!

The best thing about being a woman

Is the prerogative to have a little fun (fun, fun)

Oh, oh, oh, go totally crazy

Forget I'm a lady

Men's shirts

Short skirts

Oh, oh, oh, really go wild

Yeah, doin' it in style

Oh, oh, oh, get in the action

Feel the attraction

Color my hair

Do what I dare

Oh, oh, oh, I wanna be free

Yeah, to feel the way I feel

(To feel the way I feel)

Man! I feel like a woman!

15. **"Mr Brightside"**

Coming out of my cage and I've been doing just fine
Gotta, gotta be down, because I want it all
It started out with a kiss, how did it end up like this?
It was only a kiss, it was only a kiss
Now I'm falling asleep and she's calling a cab
While he's having a smoke and she's taking a drag
Now they're going to bed and my stomach is sick
And it's all in my head, but she's touching his

Chest now, he takes off her
Dress now, let me go
And I just can't look, it's killing me
They're taking control

Jealousy, turning saints into the sea
Swimming through sick lullabies, choking on your alibis
But it's just the price I pay, destiny is calling me
Open up my eager eyes, 'cause I'm Mr. Brightside

I'm coming out of my cage and I've been doing just fine
Gotta, gotta be down, because I want it all
It started out with a kiss, how did it end up like this?
It was only a kiss, it was only a kiss
Now I'm falling asleep and she's calling a cab
While he's having a smoke and she's taking a drag
Now they're going to bed and my stomach is sick
And it's all in my head, but she's touching his

Chest now, he takes off her
Dress now, let me go
'Cause I just can't look, it's killing me
They're taking control

Jealousy, turning saints into the sea
Swimming through sick lullabies, choking on your alibis
But it's just the price I pay, destiny is calling me

Open up my eager eyes, 'cause I'm Mr. Brightside

I never...

I never...

I never...

I never...

16. "Never Gonna Give You Up"

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy

I just wanna tell you how I'm feeling
Gotta make you understand

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

We've known each other for so long
Your heart's been aching, but you're too shy to say it
Inside, we both know what's been going on
We know the game and we're gonna play it

And if you ask me how I'm feeling
Don't tell me you're too blind to see

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you

(Ooh, give you up)

(Ooh, give you up)

Never gonna give, never gonna give

(Give you up)

Never gonna give, never gonna give

(Give you up)

We've known each other for so long

Your heart's been aching, but you're too shy to say it

Inside, we both know what's been going on

We know the game and we're gonna play it

I just wanna tell you how I'm feeling

Gotta make you understand

Never gonna give you up

Never gonna let you down

Never gonna run around and desert you

Never gonna make you cry

Never gonna say goodbye

Never gonna tell a lie and hurt you

Never gonna give you up

Never gonna let you down

Never gonna run around and desert you

Never gonna make you cry

Never gonna say goodbye

Never gonna tell a lie and hurt you

Never gonna give you up

Never gonna let you down

Never gonna run around and desert you

Never gonna make you cry

Never gonna say goodbye

Never gonna tell a lie and hurt you

17. **"Pink Pony Club"**

I know you wanted me to stay
But I can't ignore the crazy visions of me in LA
And I heard that there's a special place
Where boys and girls can all be queens every single day

I'm having wicked dreams
Of leaving Tennessee
Hear Santa Monica
I swear it's calling me
Won't make my mama proud
It's gonna cause a scene
She sees her baby girl
I know she's gonna scream

God, what have you done
You're a pink pony girl
And you dance at the club
Oh mama, I'm just having fun
On the stage in my heels
It's where I belong down at the
Pink Pony Club
I'm gonna keep on dancing at the
Pink Pony Club
I'm gonna keep on dancing down in
West Hollywood
I'm gonna keep on dancing at the
Pink Pony Club, Pink Pony Club

I'm up and jaws are on the floor
Lovers in the bathroom and a line outside the door
Black lights and a mirrored disco ball
Every night's another reason why I left it all

I thank my wicked dreams
A year from Tennessee
Oh, Santa Monica
You've been too good to me

Won't make my mama proud
It's gonna cause a scene
She sees her baby girl
I know she's gonna scream

God, what have you done
You're a pink pony girl
And you dance at the club
Oh mama, I'm just having fun
On the stage in my heels
It's where I belong down at the
Pink Pony club
I'm gonna keep on dancing at the
Pink Pony club
I'm gonna keep on dancing down in
West Hollywood
I'm gonna keep on dancing at the
Pink Pony club, Pink Pony club

Don't think I've left you all behind
Still love you and Tennessee
You're always on my mind
And mama, every Saturday
I can hear your southern drawl a thousand miles away
Saying

God, what have you done
You're a pink pony girl
And you dance at the club
Oh mama, I'm just having fun
On the stage in my heels
It's where I belong down at the
Pink Pony Club
I'm gonna keep on dancing at the
Pink Pony Club
I'm gonna keep on dancing down in
West Hollywood
I'm gonna keep on dancing at the
Pink Pony Club, Pink Pony Club

18. "Price Tag"

Seems like everybody's got a price
I wonder how they sleep at night
When the sale comes first and the truth comes second
Just stop for a minute and smile
Why is everybody so serious?
Acting so damn mysterious?
Got your shades on your eyes
And your heels so high that you can't even have a good time

Everybody look to their left
Everybody look to their right
Can you feel that? Yeah
We're paying with love tonight

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag

We need to take it back in time
When music made us all unite
And it wasn't low blows and video hoes
Am I the only one getting tired?
Why is everybody so obsessed?
Money can't buy us happiness
Can we all slow down and enjoy right now?
Guarantee we'll be feeling alright

Everybody look to their left (To their left)
Everybody look to their right (To their right)
Can you feel that? Yeah
We're paying with love tonight

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag

Yeah, yeah, well, keep the price tag and take the cash back
Just give me six strings (Six strings) and a half-stack (Half-stack)
And you can, can keep the cars, leave me the garage
And all I, yes, all I need are keys and guitars
And guess what? In thirty seconds, I'm leaving to Mars
Yeah, we leaping across these undefeatable odds
It's like this, man, you can't put a price on a life
We do this for the love, so we fight and sacrifice every night
So we ain't gon' stumble and fall, never
Waiting to see this in the sign of defeat, uh-uh
So we gon' keep everyone moving their feet
So bring back the beat and then everyone sing
It's not about the money

It's not about the money, money, money
We don't need your money, money, money
We just wanna make the world dance
Forget about the price tag
Ain't about the, uh, cha-ching, cha-ching
Ain't about the, yeah, ba-bling, ba-bling
Wanna make the world dance
Forget about the price tag (Hey! Hey!)

19. **"Rosanna"**

All I wanna do when I wake up in the morning is see your eyes
Rosanna, Rosanna
I never thought that a girl like you could ever care for me
Rosanna

All I wanna do in the middle of the evening is hold you tight
Rosanna, Rosanna
I didn't know you were looking for more than I could ever be

Not quite a year since she went away, Rosanna, yeah
Now she's gone and I have to say

Meet you all the way
Meet you all the way, Rosanna yeah
Meet you all the way
Meet you all the way, Rosanna yeah

I can see your face still shining through the window on the other side
Rosanna, Rosanna
I didn't know that a girl like you could make me feel so sad
Rosanna

All I want to tell you is now you'll never ever have to compromise
Rosanna, Rosanna
I never thought that losing you could ever hurt so bad

Not quite a year since she went away, Rosanna yeah
Now she's gone and I have to say

Meet you all the way
Meet you all the way, Rosanna yeah
Meet you all the way
Meet you all the way, Rosanna yeah

20. **"Sk8er Boi"**

He was a boy.
She was a girl.
Can I make it anymore obvious?
He was a punk.
She did ballet.
What more can I say?
He wanted her.
She'd never tell.
Secretly she wanted him as well.
And all of her friends stuck up their nose.
They had a problem with his baggy clothes.

He was a skater boy.
She said, "See ya later, boy."
He wasn't good enough for her.
She had a pretty face but her head was up in space.
She needed to come back down to earth.

Five years from now, she sits at home feeding the baby.
She's all alone.
She turns on TV and guess who she sees?
Skater boy rockin' up MTV.
She calls up her friends.
They already know.
And they've all got tickets to see his show.
She tags along,
Stands in the crowd,
Looks up at the man that she turned down.

He was a skater boy.
She said, "See ya later, boy."
He wasn't good enough for her.
Now he's a superstar
Slammin' on his guitar
Does your pretty face see what he's worth?

He was a skater boy.
She said, "See ya later, boy."
He wasn't good enough for her.
Now he's a superstar
Slammin' on his guitar
Does your pretty face see what he's worth?

Sorry, girl, but you missed out.
Well, tough luck, that boy's mine now.
We are more than just good friends.
This is how the story ends.
Too bad that you couldn't see...
See the man that boy could be.
There is more than meets the eye,
I see the soul that is inside.

He's just a boy, and I'm just a girl.
Can I make it anymore obvious?
We are in love.
Haven't you heard how we rock each other's world?

I'm with the skater boy.
I said, "See ya later, boy."
I'll be backstage after the show.
I'll be at the studio singing the song we wrote
About a girl you used to know.

I'm with the skater boy.
I said, "See ya later, boy."
I'll be backstage after the show.
I'll be at the studio singing the song we wrote
About a girl you used to know.

21. **"Simply The Best"**

I call you when I need you
When my heart's on fire
You come to me, come to me
Wild and wired

When you come to me
Give me everything I need

Give me a lifetime of promises
And a world of dreams
Speak the language of love
Like you know what it means

And it can't be wrong
Take my heart and make it strong, baby

You're simply the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart
Baby, I would rather be dead

In your heart I see the start
Of every night and every day
In your eyes I get lost
I get washed away

Just as long as I'm here in your arms
I could be in no better place

You're simply the best
Better than all the rest
Better than anyone

Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart, no, no, no
Baby, I would rather be dead

Each time you leave me I start losing control
You're walking away with my heart and my soul
I can feel you even when I'm alone
Oh, baby, don't let go!

You're the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart
I hang on every word you say
Tear us apart, no, no
Baby, I would rather be dead

You're the best

You're the best
Better than all the rest
Better than anyone
Anyone I've ever met
I'm stuck on your heart, baby
I hang on every word you say
Tear us apart, no, no
Baby, I would rather be dead

You're the best
You're better than all the rest
Better than anyone
Anyone I've ever met

Oh, you're the best

22. "Teenage Dirtbag"

Her name is Noelle
I have a dream about her
She rings my bell
I got gym class in half an hour
Oh, how she rocks
In Keds and tube socks
But she doesn't know who I am
And she doesn't give a damn about me

'Cause I'm just a teenage dirtbag, baby
Yeah, I'm just a teenage dirtbag, baby
Listen to Iron Maiden, baby, with me, ooh

Her boyfriend's a dick
And he brings a gun to school
And he'd simply kick
My ass if he knew the truth
He lives on my block
And he drives an IROC
But he doesn't know who I am
And he doesn't give a damn about me

'Cause I'm just a teenage dirtbag, baby
Yeah, I'm just a teenage dirtbag, baby
Listen to Iron Maiden, baby, with me, ooh

Oh, yeah, dirtbag
No, she doesn't know what she's missin'
Oh, yeah, dirtbag
No, she doesn't know what she's missin'

Man, I feel like mold
It's prom night and I am lonely
Lo and behold
She's walkin' over to me
This must be fake

My lip starts to shake
How does she know who I am?
And why does she give a damn about me?
I've got two tickets to Iron Maiden, baby
Come with me Friday, don't say maybe
I'm just a teenage dirtbag, baby, like you

Oh, yeah, dirtbag
No, she doesn't know what she's missin'
Oh, yeah, dirtbag
No, she doesn't know what she's missin'...

23. **"Total Eclipse Of The Heart"**

(Turn around)

Every now and then
I get a little bit lonely
And you're never coming 'round

(Turn around)

Every now and then
I get a little bit tired
Of listening to the sound of my tears

(Turn around)

Every now and then
I get a little bit nervous
That the best of all the years have gone by

(Turn around)

Every now and then
I get a little bit terrified
And then I see the look in your eyes

(Turn around, bright eyes)

Every now and then I fall apart

(Turn around, bright eyes)

Every now and then
I fall apart

(Turn around)

Every now and then
I get a little bit restless
And I dream of something wild

(Turn around)

Every now and then
I get a little bit helpless
And I'm lying like a child in your arms

(Turn around)
Every now and then
I get a little bit angry
And I know I've got to get out and cry

(Turn around)
Every now and then
I get a little bit terrified
But then I see the look in your eyes

(Turn around, bright eyes)
Every now and then
I fall apart
Turn around, bright eyes
Every now and then
I fall apart

And I need you now tonight
And I need you more than ever
And if you only hold me tight
We'll be holding on forever
And we'll only be making it right
'Cause we'll never be wrong

Together we can take it to the end of the line
Your love is like a shadow on me all of the time (all of the time)

I don't know what to do and I'm always in the dark
We're living in a powder keg and giving off sparks

I really need you tonight
Forever's gonna start tonight
(Forever's gonna start tonight)

Once upon a time I was falling in love
But now I'm only falling apart
There's nothing I can do
A total eclipse of the heart

Once upon a time there was light in my life
But now there's only love in the dark
Nothing I can say
A total eclipse of the heart

(Turn around, bright eyes)
(Turn around, bright eyes)

(Turn around)
Every now and then
I know you'll never be the boy
You always wanted to be

(Turn around)
But every now and then
I know you'll always be the only boy
Who wanted me the way that I am

(Turn around)
Every now and then
I know there's no one in the universe
As magical and wondrous as you

(Turn around)
Every now and then
I know there's nothing any better
There's nothing that I just wouldn't do

(Turn around, bright eyes)
Every now and then I fall apart
(Turn around, bright eyes)
Every now and then I fall apart

24. **"Valerie"**

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

'Cause since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over
Stop making a fool out of me
Why don't you come on over, Valerie?

Valerie
Valerie
Valerie

Did you have to go to jail
Put your house on up for sale, did you get a good lawyer?
I hope you didn't catch a tan
I hope you'll find the right man who'll fix it for ya
Are you shopping anywhere
Changed the color of your hair, are you busy?
And did you have to pay that fine
That you were dodging all the time, are you still dizzy?

Since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?

Valerie
Valerie

Valerie

Well sometimes I go out by myself
And I look across the water
And I think of all the things, what you're doing
And in my head I paint a picture

Since I've come on home
Well my body's been a mess
And I've missed your ginger hair
And the way you like to dress
Won't you come on over?
Stop making a fool out of me
Why don't you come on over, Valerie?

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Valerie

Why don't you come on over, Valerie?

25. "Walking On Sunshine"

Ow

Mm, yeah

I used to think maybe you loved me, now, baby, I'm sure
And I just can't wait till the day when you knock on my door
Now every time I go for the mailbox, gotta hold myself down
'Cause I just can't wait till you write me you're coming around

I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
And don't it feel good
Hey, all right now
And don't it feel good
Hey, yeah

I used to think maybe you loved me, now I know that it's true
And I don't want to spend my whole life just a-waiting for you
Now, I don't want you back for the weekend, not back for a day, no, no, no
I said, baby, I just want you back, and I want you to stay

Oh, yeah, now I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
I'm walking on sunshine, whoa
And don't it feel good
Hey, all right now
And don't it feel good
Yeah, oh, yeah, now
And don't it feel good

Walking on sunshine
Walking on sunshine

I feel alive, I feel the love, I feel the love that's really real
I feel alive, I feel the love, I feel the love that's really real
I'm on sunshine, baby, oh

Oh, yeah, I'm on sunshine, baby

Oh, I'm walking on sunshine, whoa

I'm walking on sunshine, whoa

I'm walking on sunshine, whoa

And don't it feel good

Hey, all right now

And don't it feel good

I'll say it, I'll say it, I'll say it again now

And don't it feel good

Hey, yeah now

And don't it feel good

Now don't it, don't it, don't it, don't it, don't it, don't it

And don't it feel good

I'll say it, I'll say it, I'll say it again now

And don't it feel good

Now don't it, don't it, don't it, don't it, don't it, don't it

And don't it feel good

Now tell me, tell me, tell me again now

And don't it feel good

Oh, yeah, now

And don't it feel good

Oh, don't it feel good, don't it feel good

Now don't it feel good

Oh, yeah, oh, yeah, oh, yeah

And don't it feel good

Oh, yeah, yeah, yeah, oh, yeah, oh, yeah

And don't it feel good

26. **"Wonderwall"**

Today is gonna be the day
That they're gonna throw it back to you
By now you should've somehow
Realized what you gotta do
I don't believe that anybody
Feels the way I do about you now

Backbeat, the word is on the street
That the fire in your heart is out
I'm sure you've heard it all before
But you never really had a doubt
I don't believe that anybody feels
The way I do about you now

And all the roads we have to walk are winding
And all the lights that lead us there are blinding
There are many things that I would
Like to say to you
But I don't know how

Because maybe
You're gonna be the one that saves me
And after all
You're my wonderwall

Today was gonna be the day
But they'll never throw it back to you
By now you should've somehow
Realized what you're not to do
I don't believe that anybody
Feels the way I do
About you now

And all the roads that lead you there were winding
And all the lights that light the way are blinding
There are many things that I would like to say to you

But I don't know how

I said maybe

You're gonna be the one that saves me

And after all

You're my wonderwall

I said maybe (I said maybe)

You're gonna be the one that saves me

And after all

You're my wonderwall

I said maybe (I said maybe)

You're gonna be the one that saves me (saves me)

You're gonna be the one that saves me (saves me)

You're gonna be the one that saves me (saves me)

27. **"Yellow"**

Look at the stars
Look how they shine for you
And everything you do
Yeah, they were all yellow

I came along
I wrote a song for you
And all the things you do
And it was called "Yellow"

So then I took my turn
Oh what a thing to have done
And it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
Do you know
You know I love you so
You know I love you so

I swam across
I jumped across for you
Oh what a thing to do
'Cause you were all yellow

I drew a line
I drew a line for you
Oh what a thing to do
And it was all yellow

Your skin
Oh yeah your skin and bones
Turn into something beautiful
Do you know
For you I'd bleed myself dry

For you I'd bleed myself dry

It's true

Look how they shine for you

Look how they shine for you

Look how they shine for

Look how they shine for you

Look how they shine for you

Look how they shine

Look at the stars

Look how they shine for you

And all the things that you do

28. **"Use Somebody"**

I've been roaming around
Always looking down at all I see
Painted faces, fill the places I can't reach

You know that I could use somebody
You know that I could use somebody

Someone like you, and all you know, and how you speak
Countless lovers under cover of the street

You know that I could use somebody
You know that I could use somebody
Someone like you

Off in the night, while you live it up, I'm off to sleep
Waging wars to shape the poet and the beat
I hope it's gonna make you notice
I hope it's gonna make you notice

Someone like me
Someone like me
Someone like me, somebody

I'm ready now [x7]

Someone like you, somebody [x3]

I've been roaming around
Always looking down at all I see

29. **"Shut Up And Dance"**

"Oh, don't you dare look back
Just keep your eyes on me."
I said, "You're holding back."
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo
Shut up and dance with me."

We were victims of the night
The chemical, physical, kryptonite
Helpless to the bass and the fading light
Oh, we were bound to get together
Bound to get together

She took my arm
I don't know how it happened
We took the floor and she said

"Oh, don't you dare look back
Just keep your eyes on me."
I said, "You're holding back."
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo
Shut up and dance with me."

A backless dress and some beat-up sneaks
My discothèque Juliet, teenage dream
I felt it in my chest as she looked at me
I knew we were bound to be together
Bound to be together

She took my arm
I don't know how it happened
We took the floor and she said

"Oh, don't you dare look back
Just keep your eyes on me."
I said, "You're holding back."
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo
Shut up and dance with me."

Oh, come on girl

Deep in her eyes
I think I see the future
I realize this is my last chance

She took my arm
I don't know how it happened
We took the floor and she said

"Oh, don't you dare look back
Just keep your eyes on me."
I said, "You're holding back."
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo
Shut up and dance!"

"Don't you dare look back
Just keep your eyes on me."
I said, "You're holding back."
She said, "Shut up and dance with me!"
This woman is my destiny
She said, "Ooh-ooh-hoo
Shut up and dance with me."

Ooh-ooh-hoo, shut up and dance with me
Ooh-ooh-hoo, shut up and dance with me

30. "I Want It That Way"

You are my fire
The one desire
Believe when I say
I want it that way

But we are two worlds apart
Can't reach to your heart
When you say
That I want it that way

Tell me why
Ain't nothing but a heartache
Tell me why
Ain't nothing but a mistake
Tell me why
I never wanna hear you say
I want it that way

Am I your fire
Your one desire
Yes I know it's too late
But I want it that way

Tell me why
Ain't nothing but a heartache
Tell me why
Ain't nothing but a mistake
Tell me why
I never wanna hear you say
I want it that way

Now I can see that we're falling apart
From the way that it used to be, yeah
No matter the distance
I want you to know
That deep down inside of me

You are my fire
The one desire
You are
You are, you are, you are

Don't wanna hear you say
Ain't nothing but a heartache
Ain't nothing but a mistake (don't wanna hear you say)
I never wanna hear you say (oh, yeah)
I want it that way

Tell me why
Ain't nothing but a heartache
Tell me why
Ain't nothing but a mistake
Tell me why
I never wanna hear you say (don't wanna hear you say)
I want it that way

Tell me why
Ain't nothing but a heartache
Ain't nothing but a mistake
Tell me why
I never wanna hear you say (never wanna hear you say)
I want it that way

'Cause I want it that way

SING for your SUPPER

Sing, Drink, Eat, Socialise

80's Anthems
