"9 To 5"

Tumble outta bed
And I stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch
And try to come to life

Jump in the shower
And the blood starts pumpin'
Out on the street
The traffic starts jumpin'
The folks like me on the job from 9 to 5

Workin' 9 to 5,
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'
They just use your mind
And they never give you credit
It's enough to drive you crazy
If you let it

9 to 5, for service and devotion
You would think that I
Would deserve a fair promotion
Want to move ahead
But the boss won't seem to let me
I swear sometimes that man is out to get me

They let you dream
Just to watch 'em shatter
You're just a step
On the boss-man's ladder
But you got dreams
He'll never take away

You're in the same boat
With a lot of your friends
Waitin' for the day your ship'll come in
'N' the tide's gonna turn
And it's all gonna roll your way

Workin' 9 to 5
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'
They just use your mind
And you never get the credit
It's enough to drive you crazy
If you let it

9 to 5, yeah
They got you where they want you
There's a better life
And you think about it, don't you?
It's a rich man's game
No matter what they call it
And you spend your life
Puttin' money in his wallet

9 to 5, whoa
What a way to make a livin'
Barely gettin' by
It's all takin' and no givin'
They just use your mind
And they never give you credit
It's enough to drive you crazy
If you let it

9 to 5, yeah
They got you where they want you
There's a better life
And you dream about it, don't you?
It's a rich man's game
No matter what they call it
And you spend your life
Puttin' money in his wallet

"A Whole New World (End Title)"
(from "Aladdin" soundtrack)

I can show you the world
Shining, shimmering, splendid
Tell me, princess, now when did
You last let your heart decide?

I can open your eyes
Take you wonder by wonder
Over, sideways and under
On a magic carpet ride

A whole new world
A new fantastic point of view
No one to tell us "no"
Or where to go
Or say we're only dreaming

A whole new world
A dazzling place I never knew
But when I'm way up here
It's crystal clear
That now I'm in a whole new world with you
(Now I'm in a whole new world with you)

Unbelievable sights
Indescribable feeling
Soaring, tumbling, freewheeling
Through an endless diamond sky

A whole new world
(Don't you dare close your eyes)
A hundred thousand things to see
(Hold your breath, it gets better)
I'm like a shooting star
I've come so far
I can't go back to where I used to be

A whole new world
With new horizons to pursue
I'll chase them anywhere
There's time to spare
Let me share this whole new world with you

A whole new world
(A whole new world)
A new fantastic point of view
No one to tell us "no"
Or where to go
Or say we're only dreaming

A whole new world
(Every turn, a surprise)
With new horizons to pursue
(Every moment, red-letter)
I'll chase them anywhere
There's time to spare
Anywhere
There's time to spare
Let me share this whole new world with you

A whole new world
(A whole new world)
That's where we'll be
(That's where we'll be)
A thrilling chase
(A wondrous place)
For you and me

"Can't Fight The Moonlight"

Under a lover's sky
Gonna be with you
And no one's gonna be around
If you think that you won't fall
Well, just wait until
'Til the sun goes down

Underneath the starlight, starlight
There's a magical feeling, so right
It will steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight
Deep in the dark, you'll surrender your heart
But you know, but you know that you
Can't fight the moonlight
No, you can't fight it
It's gonna get to your heart

There's no escaping love
Once a gentle breeze
Weaves its spell upon your heart
No matter what you think
It won't be too long (not too long)
'Til you're in my arms

Underneath the starlight, starlight
We'll be lost in the rhythm, so right
Feel it steal your heart tonight

You can try to resist
Try to hide from my kiss
But you know, but you know that you
Can't fight the moonlight
Deep in the dark, you'll surrender your heart
But you know, but you know that you can't
Can't fight the moonlight
No, you can't fight it
No, matter what you do (no matter what you do)
The night is gonna get to you

(Never know
Cannot know)
Don't try, you're never gonna win

Underneath the starlight, starlight
There's a magical feeling, so right

It will steal your heart tonight

You can try

(You can try to resist, try to hide from my kiss but you know)

But you know that you (you know that you)

Can't fight the moonlight

Deep in the dark (deep in the dark)

You'll surrender your heart

But you know, but you know that you

Can't fight the moonlight, no, you can't fight it

(You can try) You can try to resist my kiss

But you know, don't you know that you can't?

Can't fight the moonlight deep in the dark

You'll surrender your heart (surrender your heart)

But you know, but you know that you

Can't fight the moonlight

No, you can't fight it

It's gonna get to your heart

"Counting Stars"

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars
Yeah, we'll be counting stars

I see this life like a swinging vine
Swing my heart across the line
And in my face is flashing signs
Seek it out and ye shall find

Old but I'm not that old
Young but I'm not that bold
And I don't think the world is sold
On just doing what we're told

I feel something so right doing the wrong thing
And I feel something so wrong doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that kills me makes me feel alive

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

I feel your love, and I feel it burn
Down this river every turn
Hope is our four-letter word
Make that money, watch it burn

Old, but I'm not that old
Young, but I'm not that bold
And I don't think the world is sold
On just doing what we're told

And I feel something so wrong doing the right thing
I couldn't lie, couldn't lie, couldn't lie
Everything that drowns me makes me wanna fly

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

Oh, take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned

Everything that kills me makes me feel alive

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be counting stars

Lately, I've been, I've been losing sleep
Dreaming about the things that we could be
But, baby, I've been, I've been praying hard
Said no more counting dollars, we'll be, we'll be counting stars

Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned
Take that money, watch it burn
Sink in the river the lessons I've learned

"Dancing Queen"

Ooh, you can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Friday night and the lights are low
Looking out for a place to go
Where they play the right music, getting in the swing
You come to look for a king

Anybody could be that guy
Night is young and the music's high
With a bit of rock music, everything is fine
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

You're a teaser, you turn 'em on
Leave them burning and then you're gone
Looking out for another, anyone will do
You're in the mood for a dance
And when you get the chance

You are the dancing queen
Young and sweet, only seventeen
Dancing queen
Feel the beat from the tambourine
Oh, yeah

You can dance, you can jive
Having the time of your life
Ooh, see that girl, watch that scene
Digging the dancing queen

Digging the dancing queen

"Danger Zone"

Revvin' up your engine
Listen to her howlin' roar
Metal under tension
Beggin' you to touch and go

Highway to the danger zone
Ride into the danger zone

Headin' into twilight
Spreadin' out her wings tonight
She got you jumpin' off the deck
And shovin' into overdrive

Highway to the danger zone
I'll take you
Right into the danger zone

They never say "Hello" to you
Until you get it on the red-line overload
You'll never know what you can do
Until you get it up as high as you can go

Out along the edge
Is always where I burn to be
The further on the edge
The hotter the intensity

Highway to the danger zone
I'm gonna take you
Right into the danger zone
Highway to the danger zone
Ride into the danger zone

Highway to the danger zone
I'm gonna take you
Right into the danger zone
Highway to the danger zone
Ride into the danger zone

Highway to the danger zone
I'm gonna take you
Right into the danger zone
Highway to the danger zone
Ride into the danger zone

Highway to the danger zone
I'm gonna take you
Right into the danger zone

"Don't Stop Believin'"

Just a small-town girl
Livin' in a lonely world
She took the midnight train goin' anywhere

Just a city boy
Born and raised in South Detroit
He took the midnight train goin' anywhere

A singer in a smokey room
The smell of wine and cheap perfume
For a smile they can share the night
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlight people
Livin' just to find emotion
Hidin' somewhere in the night

Workin' hard to get my fill
Everybody wants a thrill
Payin' anything to roll the dice just one more time

Some will win, some will lose
Some were born to sing the blues
Oh, the movie never ends
It goes on and on, and on, and on

Strangers waiting
Up and down the boulevard
Their shadows searching in the night

Streetlight people
Livin' just to find emotion
Hidin' somewhere in the night

Don't stop believin'
Hold on to that feelin'
Streetlight people

Don't stop believin'
Hold on
Streetlight people

Don't stop believin'
Hold on to that feelin'
Streetlight people"

"Eye Of The Tiger"

Rising up, back on the street
Did my time, took my chances
Went the distance, now I'm back on my feet
Just a man and his will to survive

So many times it happens too fast
You trade your passion for glory
Don't lose your grip on the dreams of the past
You must fight just to keep them alive

It's the eye of the tiger
It's the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his prey in the night
And he's watching us all with the eye of the tiger

Face to face, out in the heat
Hanging tough, staying hungry
They stack the odds still we take to the street
For the kill with the skill to survive

It's the eye of the tiger
It's the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his prey in the night
And he's watching us all with the eye of the tiger

Rising up, straight to the top
Had the guts, got the glory
Went the distance, now I'm not gonna stop
Just a man and his will to survive

It's the eye of the tiger
It's the thrill of the fight
Rising up to the challenge of our rival
And the last known survivor
Stalks his prey in the night
And he's watching us all with the eye of the tiger

The eye of the tiger
The eye of the tiger

That's who we're born to be

Waited so long to break these walls down
To wake up and feel like me
Put these patterns all in the past now

"How Deep Is Your Love"
(from "Saturday Night Fever" soundtrack)

I know your eyes in the mornin' sun
I feel you touch me in the pourin' rain
And the moment that you wander far from me
I wanna feel you in my arms again

And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show
How deep is your love?

How deep is your love? How deep is your love?
I really mean to learn
'Cause we're livin' in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

I believe in you
You know the door to my very soul
You're the light in my deepest, darkest hour
You're my saviour when I fall

And you may not think I care for you
When you know down inside that I really do
And it's me you need to show
How deep is your love?

How deep is your love? How deep is your love?
I really mean to learn
'Cause we're livin' in a world of fools
Breakin' us down
When they all should let us be
We belong to you and me

Na-na-na-na-na
Na-na-na-na, na-na-na-na-na
Na-na-na, na-na-na-na-na-na-na-na
Na-na-na, na-na-na-na

And you come to me on a summer breeze
Keep me warm in your love, then you softly leave
And it's me you need to show
How deep is your love?

How deep is your love? How deep is your love?
I really mean to learn (I really mean to learn)
'Cause we're livin' in a world of fools
Breakin' us down

When they all should let us be
We belong to you and me

"How Far I'll Go"

(performed by Auli'i Cravalho)

(from "Moana" soundtrack)

I've been staring at the edge of the water
Long as I can remember, never really knowing why
I wish I could be the perfect daughter
But I come back to the water, no matter how hard I try

Every turn I take, every trail I track
Every path I make, every road leads back
To the place I know where I cannot go
Where I long to be

See the line where the sky meets the sea
It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
If I go there's just no telling how far I'll go

I know everybody on this island seems so happy, on this island
Everything is by design
I know everybody on this island has a role, on this island
So maybe I can roll with mine

I can lead with pride, I can make us strong
I'll be satisfied if I play along
But the voice inside sings a different song
What is wrong with me?

See the light as it shines on the sea
It's blinding
But no one knows, how deep it goes
And it seems like it's calling out to me, so come find me
And let me know
What's beyond that line, will I cross that line?

See the line where the sky meets the sea
It calls me
And no one knows, how far it goes
If the wind in my sail on the sea stays behind me
One day I'll know
How far I'll go

"I'm Still Standing"

You could never know what it's like
Your blood like winter freezes just like ice
And there's a cold lonely light that shines from you
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win?
Well, look at me, I'm a-coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

Once I never could've hoped to win
You're starting down the road leaving me again
The threats you made were meant to cut me down
And if our love was just a circus you'd be a clown by now

You know I'm still standing better than I ever did
Looking like a true survivor, feeling like a little kid
I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

Don't you know that I'm still standing better than I ever did?
Looking like a true survivor, feeling like a little kid
And I'm still standing after all this time
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

I'm still standing. Yeah, yeah, yeah
I'm still standing. Yeah, yeah, yeah

"Iris"

And I'd give up forever to touch you
'Cause I know that you feel me somehow
You're the closest to heaven that I'll ever be
And I don't wanna go home right now

And all I can taste is this moment
And all I can breathe is your life
When sooner or later it's over
I just don't wanna miss you tonight

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And you can't fight the tears that ain't coming
Or the moment of truth in your lies
When everything feels like the movies
Yeah, you bleed just to know you're alive

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

And I don't want the world to see me
'Cause I don't think that they'd understand
When everything's made to be broken
I just want you to know who I am

I just want you to know who I am
I just want you to know who I am
I just want you to know who I am

"It Must Have Been Love"

(It must have been love but it's over now)

Lay a whisper on my pillow
Leave the winter on the ground
I wake up lonely, there's air of silence
In the bedroom and all around

Touch me now, I close my eyes and dream away

It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched, 'til the time had run out

Make-believing we're together
That I'm sheltered by your heart
But in and outside I've turned to water
Like a teardrop in your palm

And it's a hard winter's day, I dream away

It must have been love but it's over now
It was all that I wanted, now I'm living without
It must have been love but it's over now
It's where the water flows, it's where the wind blows

It must have been love but it's over now
It must have been good but I lost it somehow
It must have been love but it's over now
From the moment we touched, 'til the time had run out

Yeah, it must have been love but it's over now
It was all that I wanted, now I'm living without
It must have been love but it's over now
It's where the water flows, it's where the wind blows

(Must have been love but it's over now)
(Must have been love but it's over now)

"Let It Go"

(from "Frozen" soundtrack)

The snow glows white on the mountain tonight
Not a footprint to be seen
A kingdom of isolation
And it looks like I'm the queen

The wind is howling like this swirling storm inside
Couldn't keep it in, heaven knows I tried!

Don't let them in, don't let them see
Be the good girl you always have to be
Conceal, don't feel, don't let them know
Well, now they know!

Let it go, let it go
Can't hold it back anymore
Let it go, let it go
Turn away and slam the door!

I don't care
What they're going to say
Let the storm rage on
The cold never bothered me anyway!

It's funny how some distance
Makes everything seem small
And the fears that once controlled me
Can't get to me at all!

It's time to see what I can do
To test the limits and break through
No right, no wrong, no rules for me I'm free!

Let it go, let it go
I am one with the wind and sky
Let it go, let it go
You'll never see me cry!

Here I stand
And here I'll stay
Let the storm rage on!

My power flurries through the air into the ground
My soul is spiraling in frozen fractals all around
And one thought crystallizes like an icy blast
I'm never going back
The past is in the past!

Let it go, let it go
And I'll rise like the break of dawn
Let it go, let it go
That perfect girl is gone!

Here I stand
In the light of day
Let the storm rage on
The cold never bothered me anyway!

"Material Girl"

Some boys kiss me, some boys hug me
I think they're OK
If they don't give me proper credit, I just walk away
They can beg and they can plead
But they can't see the light, that's right
'Cause the boy with the cold hard cash is always Mister Right

'Cause we are living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Some boys romance, some boys slow dance
That's all right with me
If they can't raise my interest, then I have to let them be
Some boys try, and some boys lie
But I don't let them play, no way
Only boys that save their pennies make my rainy day

'Cause we are living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

Boys may come, and boys may go
And that's all right, you see
Experience has made me rich, and now they're after me

'Cause everybody's living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

Living in a material world
And I am a material girl
You know that we are living in a material world
And I am a material girl

A material, a material, a material, a material world

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

Living in a material world (material)
Living in a material world
Living in a material world (material)
Living in a material world

"Never Too Much"

I can't fool myself, I don't want nobody else to ever love me
You are my shinin' star, my guiding light, my love fantasy
There's not a minute, hour, day or night that I don't love you
You're at the top of my list 'cause I'm always thinkin' of you

I still remember in the days when I was scared to touch you
How I spent my day dreamin' plannin' how to say I love you
You must have known that I had feelings deep enough to swim in
That's when you opened up your heart and you told me to come in

Oh, my love
A thousand kisses from you is never too much
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
I just don't wanna stop

Too much, never too much, never too much, never too much

Woke up today, looked at your picture just to get me started
I called you up, but you weren't there and I was broken hearted
Hung up the phone, can't be too late, the boss is so demandin'
Opened the door up and to my surprise there you were standin'

Well, who needs to go to work to hustle for another dollar
I'd rather be with you 'cause you make my heart scream and holler
Love is a gamble and I'm so glad that I'm winnin'
We've come a long way and yet this is only the beginnin'

Oh, my love
A thousand kisses from you is never too much
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much
(Never too much, never too much, never too much)
And I just don't wanna stop

Oh, my love
A thousand kisses from you is never
(Never too much, never too much, never too much)
I just don't wanna stop

Oh, my love
A million days in your arms is never too much

"No Time To Die"

(from "James Bond: No Time to Die" soundtrack)

I should've known
I'd leave alone
Just goes to show
That the blood you bleed is just the blood you owe

We were a pair
But I saw you there
Too much to bear
You were my life, but life is far away from fair

Was I stupid to love you?
Was I reckless to help?
Was it obvious to everybody else

That I'd fallen for a lie?
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

I let it burn
You're no longer my concern
Faces from my past return
Another lesson yet to learn

That I'd fallen for a lie
You were never on my side
Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

No time to die
No time to die

Fool me once, fool me twice
Are you death or paradise?
Now you'll never see me cry
There's just no time to die

"Running Up That Hill (A Deal With God)"

It doesn't hurt me
Do you wanna feel how it feels?
Do you wanna know, know that it doesn't hurt me?
Do you wanna hear about the deal that I'm making?
You, it's you and me

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
Be running up that building
Say, if I only could, ooh

You don't wanna hurt me
But see how deep the bullet lies
Unaware I'm tearing you asunder
Ooh, there is thunder in our hearts

Is there so much hate for the ones we love?
Oh, tell me, we both matter, don't we?
You, it's you and me
It's you and me won't be unhappy

And if I only could
I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
Be running up that building
Say, if I only could, ooh

You
It's you and me
It's you and me won't be unhappy

Oh, come on, baby. Oh, come on, darling
Let me steal this moment from you now
Oh, come on, angel. Come on, come on, darling
Let's exchange the experience, ooh

And if I only could
I'd make a deal with God
And I'd get him to swap our places
I'd be running up that road
Be running up that hill
With no problems

Say, if I only could

I'd make a deal with God
And I'd get him to swap our places
Be running up that road
Be running up that hill
With no problems

So if I only could
And make a deal with God
I'd get him to swap our places
I'd be running up that road
Be running up that hill
With no problems

So if I only could
Be running up that hill
With no problems

If I only could, be running up that hill
If I only could, be running up that hill

"The Power Of Love"
(from "Back To The Future" soundtrack)

The power of love is a curious thing
Make a one man weep, make another man sing
Change a hawk to a little white dove
More than a feeling that's the power of love

Tougher than diamonds, rich like cream
Stronger and harder than a bad girl's dream
Make a bad one good make a wrong one right
Power of love that keeps you home at night

[Chorus 1:]

You don't need money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden and it's cruel sometimes
But it might just save your life
That's the power of love
That's the power of love

First time you feel it, it might make you sad
Next time you feel it it might make you mad
But you'll be glad baby when you've found
That's the power makes the world go'round

[Chorus 2:]

And it don't take money, don't take fame
Don't need no credit card to ride this train
It's strong and it's sudden it can be cruel sometimes
But it might just save your life

They say that all in love is fair
Yeah, but you don't care
But you'll know what to do
When it gets hold of you
And with a little help from above
You feel the power of love
You feel the power of love
Can you feel it?
Hmmm

[Chorus 3:]

It don't take money and it don't take fame
Don't need no credit card to ride this train
Tougher than diamonds and stronger than steel
You won't feel nothin' till you feel
You feel the power, just feel the power of love
That's the power, that's the power of love
You feel the power of love

You feel the power of love
Feel the power of love

"The Final Countdown"

Ten, nine, eight, seven, six, five, four, three, two, one.

We're leaving together,
But still it's farewell.
And maybe we'll come back
To earth, who can tell?

I guess there is no one to blame.
We're leaving ground (leaving ground).
Will things ever be the same again?

It's the final countdown.
The final countdown.

We're heading for Venus (Venus).
And still we stand tall.
'Cause maybe they've seen us.
And welcome us all, yeah.

With so many light years to go
And things to be found (to be found)
I'm sure that we'll all miss her so.

It's the final countdown.
The final countdown.
The final countdown.

The final countdown.

It's the final countdown.
The final countdown.
The final countdown.

It's the final countdown.
We're leaving together.
The final countdown.
We'll all miss her so.
It's the final countdown.

It's the final countdown.

"Unchained Melody"
(originally by Todd Duncan)

Oh, my love
My darling
I've hungered for your touch
A long, lonely time

And time goes by so slowly
And time can do so much
Are you still mine?

I need your love
I need your love
God speed your love to me

Lonely rivers flow to the sea, to the sea
To the open arms of the sea
Yes, lonely rivers sigh, "Wait for me, wait for me
I'll be coming home, wait for me"

Oh, my love
My darling
I've hungered, hungered for your touch
A long, lonely time

And time goes by so slowly
And time can do so much
Are you still mine?

I need your love
I, I need your love
God speed your love to me

"Writing's On The Wall"
(from "Spectre" soundtrack)

I've been here before
But always hit the floor
I've spent a lifetime running
And I always get away
But with you I'm feeling something
That makes me want to stay

I'm prepared for this
I never shoot to miss
But I feel like a storm is coming
If I'm gonna make it through the day
Then there's no more use in running
This is something I gotta face

If I risk it all
Could you break my fall?

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

A million shards of glass
That haunt me from my past
As the stars begin to gather
And the light begins to fade
When all hope begins to shatter
Know that I won't be afraid

If I risk it all
Could you break my fall?

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

The writing's on the wall

How do I live? How do I breathe?
When you're not here I'm suffocating
I want to feel love run through my blood
Tell me is this where I give it all up?
How do I live? How do I breathe?

When you're not here I'm suffocating
I want to feel love, run through my blood
Tell me is this where I give it all up?
For you I have to risk it all
'Cause the writing's on the wall

"You've Got A Friend In Me"
(from "Toy Story" soundtrack)

You've got a friend in me
You've got a friend in me
When the road looks rough ahead
And you're miles and miles
From your nice warm bed
You just remember what your old pal said
Boy, you've got a friend in me
Yeah, you've got a friend in me

You've got a friend in me
You've got a friend in me
You've got troubles, I've got 'em too
There isn't anything I wouldn't do for you
We stick together and we see it through
Cause you've got a friend in me
You've got a friend in me

Some other folks might be
A little bit smarter than I am
Bigger and stronger too
Maybe
But none of them will ever love you
The way I do
It's me and you, boy

And as the years go by
Our friendship will never die
You're gonna see it's our destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
