## "9 To 5"

Tumble outta bed  
And I stumble to the kitchen  
Pour myself a cup of ambition  
And yawn and stretch  
And try to come to life

Jump in the shower  
And the blood starts pumpin'  
Out on the street  
The traffic starts jumpin'  
The folks like me on the job from 9 to 5

Workin' 9 to 5,  
What a way to make a livin'  
Barely gettin' by  
It's all takin' and no givin'  
They just use your mind  
And they never give you credit  
It's enough to drive you crazy  
If you let it

9 to 5, for service and devotion  
You would think that I  
Would deserve a fair promotion  
Want to move ahead  
But the boss won't seem to let me  
I swear sometimes that man is out to get me

They let you dream  
Just to watch 'em shatter  
You're just a step  
On the boss-man's ladder  
But you got dreams  
He'll never take away

You're in the same boat  
With a lot of your friends  
Waitin' for the day your ship'll come in  
'N' the tide's gonna turn  
And it's all gonna roll your way

Workin' 9 to 5  
What a way to make a livin'

Barely gettin' by  
It's all takin' and no givin'  
They just use your mind  
And you never get the credit  
It's enough to drive you crazy  
If you let it

9 to 5, yeah  
They got you where they want you  
There's a better life  
And you think about it, don't you?  
It's a rich man's game  
No matter what they call it  
And you spend your life  
Puttin' money in his wallet

9 to 5, whoa  
What a way to make a livin'  
Barely gettin' by  
It's all takin' and no givin'  
They just use your mind  
And they never give you credit  
It's enough to drive you crazy  
If you let it

9 to 5, yeah  
They got you where they want you  
There's a better life  
And you dream about it, don't you?  
It's a rich man's game  
No matter what they call it  
And you spend your life  
Puttin' money in his wallet

Working 9 to 5

## "A Little Respect"

I try to discover  
A little something to make me sweeter  
Oh baby refrain from breaking my heart  
I'm so in love with you  
I'll be forever blue  
That you give me no reason  
Why you're making me work so hard

That you give me no  
That you give me no  
That you give me no  
That you give me no

Soul, I hear you calling  
Oh baby please give a little respect to me

And if I should falter  
Would you open your arms out to me  
We can make love not war  
And live at peace with our hearts  
I'm so in love with you  
I'll be forever blue  
What religion or reason  
Could drive a man to forsake his lover

Don't you tell me no  
Don't you tell me no  
Don't you tell me no  
Don't you tell me no

Soul, I hear you calling  
Oh baby please give a little respect to me

I'm so in love with you  
I'll be forever blue  
That you give me no reason  
You know you're making me work so hard

That you give me no  
That you give me no  
That you give me no  
That you give me no

Soul, I hear you calling  
Oh baby please give a little respect to me

Soul, I hear you calling  
Oh baby please give a little respect to me

## "Ain't Nobody"

I've been waitin' for you, it's been so long  
I knew just what I would do, when I heard your song  
Filled my heart with your kiss, you gave me freedom  
You knew I could not resist, I needed someone  
And now we're flyin' through the stars  
I hope this night lasts forever

Ain't nobody (nobody)  
Loves me better (love me better)  
Makes me happy  
Makes me feel this way (nobody)  
Ain't nobody (ain't nobody)  
Loves me better than you

Ain't nobody (nobody)  
Loves me better (love me better)  
Makes me happy  
Makes me feel this way (nobody)  
Ain't nobody (ain't nobody)  
Loves me better than you

I wait for nighttime to come, and bring you to me  
Can't believe I'm the one, I was so lonely  
I feel like no one could feel, I must be dreamin'  
I want this dream to be real, I need this feelin'  
I make my wish upon a star  
And hope this night will last forever  
Oh, oh, oh

Ain't nobody (nobody)  
Loves me better  
Makes me happy  
Makes me feel this way (nobody)  
Ain't nobody  
Loves me better (nobody loves me)  
Ain't nobody

Ain't nobody (nobody)  
Loves me better  
Makes me happy  
Makes me feel this way (nobody)  
Ain't nobody  
Loves me better (nobody loves me)

Ain't nobody  
Loves me better

Ain't nobody (nobody)  
Loves me better  
Makes me happy  
Makes me feel this way (nobody)  
Ain't nobody (nobody)  
Loves me better  
Makes me happy  
Makes me feel this way

## "Alone"

I hear the ticking of the clock  
I'm lying here the room's pitch dark  
I wonder where you are tonight  
No answer on the telephone  
And the night goes by so very slow  
Oh I hope that it won't end though  
Alone

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone

You don't know how long I have wanted  
To touch your lips and hold you tight, oh  
You don't know how long I have waited  
and I was going to tell you tonight  
But the secret is still my own  
and my love for you is still unknown  
Alone

Till now I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone  
How do I get you alone  
How do I get you alone

How do I get you alone  
How do I get you alone  
Alone, alone

## "Billie Jean"

She was more like a beauty queen  
From a movie scene  
I said, "Don't mind, but what do you mean  
I am the one  
Who will dance on the floor in the round?"  
She said I am the one  
Who will dance on the floor in the round

She told me her name was Billie Jean  
As she caused a scene  
Then every head turned with eyes that dreamed of being the one  
Who will dance on the floor in the round

People always told me, "Be careful of what you do.  
And don't go around breaking young girls' hearts."  
And mother always told me, "A-be careful of who you love,  
And be careful of what you do  
'Cause the lie becomes the truth."

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She says I am the one  
But the kid is not my son

For forty days and for forty nights  
Law was on her side  
But who can stand  
When she's in demand  
Her schemes and plans  
'Cause we danced on the floor in the round  
So take my strong advice  
Just remember to always think twice  
(Do think twice, do think twice.)

She told, "My baby, we'd danced 'til three."  
Then she looked at me  
Then showed a photo of a baby cry  
His eyes looked like mine, oh, no  
Do a dance on the floor in the round, baby

A-people always told me, "Be careful of what you do  
And don't go around breaking young girls' hearts."  
(Don't break no heart.)  
A-but she came and stood right by me  
And just the smell of sweet perfume

And this happened much too soon  
And she called me to her room

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
(No, no, no, no, no, no, no, no.)  
Billie Jean is not my lover  
She's just a girl who claims that I am the one  
But the kid is not my son  
She says I am the one  
But the kid is not my son

She says I am the one  
But the kid is not my son

No, no, no

Billie Jean is not my lover  
She's just a girl who claims that I am the one  
(No, there's not me, baby.)  
But the kid is not my son  
(No, no, no, no, no, no, no.)  
She says I am the one (No, babe.)  
But the kid is not my son, no, no, no

She says I am the one  
You know what you did  
She says he is my son  
Breaking my heart, babe  
She says I am the one

Billie Jean is not my lover  
Billie Jean is not my lover  
Billie Jean is not my lover  
She is the one  
Billie Jean is not my lover  
She is the one  
Don't call me Billie Jean  
Billie Jean is not my lover  
She is the one  
She stumbled onto the scene  
Billie Jean is not my lover  
Billie Jean is not my lover

## "Black Velvet"

Mississippi in the middle of a dry spell  
Jimmy Rogers on the Victrola up high  
Mama's dancin' with baby on her shoulder  
The sun is settin' like molasses in the sky  
The boy could sing, knew how to move, everything  
Always wanting more, he'd leave you longing for

Black velvet and that little boy's smile  
Black velvet with that slow southern style  
A new religion that'll bring ya to your knees  
Black velvet if you please

Up in Memphis the music's like a heatwave  
White lightning, bound to drive you wild  
Mama's baby's in the heart of every school girl  
"Love me tender" leaves 'em cryin' in the aisle  
The way he moved, it was a sin, so sweet and true  
Always wanting more, he'd leave you longing for

Black velvet and that little boy's smile  
Black velvet with that slow southern style  
A new religion that'll bring ya to your knees  
Black velvet if you please

Every word of every song that he sang was for you  
In a flash he was gone, it happened so soon, what could  
You do?

Black velvet and that little boy's smile  
Black velvet with that slow southern style  
A new religion that'll bring ya to your knees  
Black velvet if you please

Black velvet and that little boy's smile  
Black velvet with that slow southern style  
A new religion that'll bring ya to your knees  
Black velvet if you please  
If you please, if you please, if you please

## "Don't Stop Believin'"

Just a small-town girl  
Livin' in a lonely world  
She took the midnight train goin' anywhere

Just a city boy  
Born and raised in South Detroit  
He took the midnight train goin' anywhere

A singer in a smokey room  
The smell of wine and cheap perfume  
For a smile they can share the night  
It goes on and on, and on, and on

Strangers waiting  
Up and down the boulevard  
Their shadows searching in the night

Streetlight people  
Livin' just to find emotion  
Hidin' somewhere in the night

Workin' hard to get my fill  
Everybody wants a thrill  
Payin' anything to roll the dice just one more time

Some will win, some will lose  
Some were born to sing the blues  
Oh, the movie never ends  
It goes on and on, and on, and on

Strangers waiting  
Up and down the boulevard  
Their shadows searching in the night

Streetlight people  
Livin' just to find emotion  
Hidin' somewhere in the night

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

Don't stop believin'

Hold on  
Streetlight people

Don't stop believin'  
Hold on to that feelin'  
Streetlight people

## "Edge Of Seventeen"

Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo-who-who  
Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo  
Said, whoo

And the days go by  
Like a strand in the wind  
In the web that is my own  
I begin again  
Said to my friend, baby  
Nothin' else mattered

He was no more  
(He was no more)  
Than a baby then  
Well, he seemed broken-hearted  
Somethin' within him  
But the moment  
That I first laid  
Eyes on him  
All alone on the edge of seventeen

Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo, whoo  
Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Said, whoo, baby, whoo  
Said, whoo

Well, I went today  
Maybe I will go again  
Tomorrow, yeah, yeah  
Well, the music there  
Well it was hauntingly familiar  
When I see you doin'

What I try to do for me  
With their words of a poet  
And a voice from a choir  
And a melody  
Nothin' else mattered

Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo, said whoo  
Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Said, whoo, baby, whoo  
Said, whoo

The clouds never expect it  
When it rains  
But the sea changes colours  
But the sea  
Does not change  
So with the slow graceful flow  
Of age  
I went forth with an age old  
Desire to please  
On the edge of seventeen

Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo, said whoo  
Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo  
Said, whoo

Well then suddenly  
There was no one left standing  
In the hall, yeah, yeah  
In a flood of tears  
That no one really ever heard fall at all  
When I went searchin' for an answer  
Up the stairs and down the hall  
Not to find an answer

Just to hear the call  
Of a nightbird singin'  
Come away  
(Come away)  
(Come away)

Just like the white-winged dove  
(Just like the white-winged dove)  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo, said whoo  
Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo  
Said, whoo

Well, I hear you (well, I hear you)  
In the morning (in the morning)  
And I hear you (and I hear you)  
At nightfall (at nightfall)  
Sometime to be near you  
Is to be unable to hear you  
My love  
I'm a few years older than you  
(I'm a few years older than you)  
My love

Just like the white-winged dove  
Sings a song  
Sounds like she's singin'  
Whoo, baby, whoo  
Said, whoo

## "Every Breath You Take"

Every breath you take  
And every move you make  
Every bond you break  
Every step you take  
I'll be watching you  
Every single day  
And every word you say  
Every game you play  
Every night you stay  
I'll be watching you

Oh, can't you see you belong to me?  
How my poor heart aches with every step you take

Every move you make  
And every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you

Since you've gone, I've been lost without a trace  
I dream at night, I can only see your face  
I look around, but it's you I can't replace  
I feel so cold, and I long for your embrace  
I keep crying baby, baby, please

Mm, mm, mm, mm  
Mm, mm, mm

Oh, can't you see you belong to me?  
How my poor heart aches with every step you take

Every move you make  
And every vow you break  
Every smile you fake  
Every claim you stake  
I'll be watching you  
Every move you make  
Every step you take  
I'll be watching you

I'll be watching you

(Every breath you take)  
(Every move you make)  
(Every bond you break)  
(Every step you take)  
I'll be watching you

(Every single day)  
(Every word you say)  
(Every game you play)  
(Every night you stay)  
I'll be watching you

(Every move you make)  
(Every vow you break)  
(Every smile you fake)  
(Every claim you stake)  
I'll be watching you

(Every single day)  
(Every word you say)  
(Every game you play)  
(Every night you stay)  
I'll be watching you

(Every breath you take)  
(Every move you make)  
(Every bond you break)  
(Every step you take)  
I'll be watching you

(Every single day)  
(Every word you say)  
(Every game you play)  
(Every night you stay)  
I'll be watching you

(Every move you make)  
(Every vow you break)  
(Every smile you fake)  
(Every claim you stake)  
I'll be watching you

(Every single day)  
(Every word you say)  
(Every game you play)

## "Eye Of The Tiger"

Rising up, back on the street  
Did my time, took my chances  
Went the distance, now I'm back on my feet  
Just a man and his will to survive

So many times it happens too fast  
You trade your passion for glory  
Don't lose your grip on the dreams of the past  
You must fight just to keep them alive

It's the eye of the tiger  
It's the thrill of the fight  
Rising up to the challenge of our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the eye of the tiger

Face to face, out in the heat  
Hanging tough, staying hungry  
They stack the odds still we take to the street  
For the kill with the skill to survive

It's the eye of the tiger  
It's the thrill of the fight  
Rising up to the challenge of our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the eye of the tiger

Rising up, straight to the top  
Had the guts, got the glory  
Went the distance, now I'm not gonna stop  
Just a man and his will to survive

It's the eye of the tiger  
It's the thrill of the fight  
Rising up to the challenge of our rival  
And the last known survivor  
Stalks his prey in the night  
And he's watching us all with the eye of the tiger

The eye of the tiger  
The eye of the tiger

## "Fast Car"

You got a fast car  
I want a ticket to anywhere  
Maybe we make a deal  
Maybe together we can get somewhere  
Any place is better  
Starting from zero got nothing to lose  
Maybe we'll make something  
Me myself I got nothing to prove

You got a fast car  
I got a plan to get us out of here  
I been working at the convenience store  
Managed to save just a little bit of money  
Won't have to drive too far  
Just 'cross the border and into the city  
You and I can both get jobs  
And finally see what it means to be living

See my old man's got a problem  
He live with the bottle that's the way it is  
He says his body's too old for working  
His body's too young to look like his  
My mama went off and left him  
She wanted more from life than he could give  
I said somebody's got to take care of him  
So I quit school and that's what I did

You got a fast car  
Is it fast enough so we can fly away?  
We gotta make a decision  
Leave tonight or live and die this way

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
I had a feeling I could be someone, be someone, be someone

You got a fast car  
We go cruising, entertain ourselves  
You still ain't got a job  
And I work in a market as a checkout girl

I know things will get better  
You'll find work and I'll get promoted  
We'll move out of the shelter  
Buy a bigger house and live in the suburbs

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
I had a feeling I could be someone, be someone, be someone

You got a fast car  
I got a job that pays all our bills  
You stay out drinking late at the bar  
See more of your friends than you do of your kids  
I'd always hoped for better  
Thought maybe together you and me would find it  
I got no plans I ain't going nowhere  
So take your fast car and keep on driving

So remember when we were driving driving in your car  
Speed so fast I felt like I was drunk  
City lights lay out before us  
And your arm felt nice wrapped 'round my shoulder  
And I had a feeling that I belonged  
I had a feeling I could be someone, be someone, be someone

You got a fast car  
Is it fast enough so you can fly away?  
You gotta make a decision  
Leave tonight or live and die this way

## "Here I Go Again"

I don't know where I'm going  
But I sure know where I've been  
Hanging on the promises  
In songs of yesterday

And I've made up my mind  
I ain't wasting no more time

Here I go again  
Here I go again

Though I keep searching for an answer  
I never seem to find what I'm looking for  
Oh, Lord, I pray  
You give me strength to carry on

'Cause I know what it means  
To walk along the lonely street of dreams

Here I go again on my own  
Goin' down the only road I've ever known  
Like a hobo I was born to walk alone

But I've made up my mind  
I ain't wasting no more time

Just another heart in need of rescue  
Waiting on love's sweet charity  
I am gonna hold on  
For the rest of my days

'Cause I know what it means  
To walk along the lonely street of dreams

Here I go again on my own  
Goin' down the only road I've ever known  
Like a hobo I was born to walk alone  
And I've made up my mind  
I ain't wasting no more time

But here I go again  
Here I go again  
Here I go again

Here I go

And I've made up my mind  
I ain't wasting no more time

Here I go again on my own  
Goin' down the only road I've ever known  
Like a hobo I was born to walk alone  
'Cause I know what it means  
To walk along the lonely street of dreams

Here I go again on my own  
Goin' down the only road I've ever known  
Like a hobo I was born to walk alone  
I have made up my mind  
I ain't wasting no more time

But here I go again  
Here I go again  
Here I go again  
Here I go  
Here I go again

**"I Love Rock 'N' Roll"**  
**(originally by Arrows)**

I saw him dancing there by the record machine  
I knew he must have been about seventeen  
The beat was going strong  
Playing my favorite song  
And I could tell it wouldn't be long till he was with me, yeah me  
And I could tell it wouldn't be long till he was with me, yeah me

Singing, I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with me  
Ow!

He smiled, so I got up and asked for his name  
But that don't matter, he said, 'cause it's all the same  
He said, "Can I take you home  
Where we can be alone?"  
And next we were moving on, he was with me, yeah me  
Next we were moving on, he was with me, yeah me

Singing, I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with me  
Ow!

He said, "Can I take you home  
Where we can be alone?"  
Next we're moving on, he was with me, yeah me  
And we'll be moving on and singing that same old song, yeah with me

Singing, I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with me

I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with

I love rock and roll

So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with

I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with

I love rock and roll  
So put another dime in the jukebox, baby  
I love rock and roll  
So come and take your time and dance with me

## "I'm Still Standing"

You could never know what it's like  
Your blood like winter freezes just like ice  
And there's a cold lonely light that shines from you  
You'll wind up like the wreck you hide behind that mask you use

And did you think this fool could never win?  
Well, look at me, I'm a-coming back again  
I got a taste of love in a simple way  
And if you need to know while I'm still standing you just fade away

Don't you know I'm still standing better than I ever did?  
Looking like a true survivor, feeling like a little kid  
And I'm still standing after all this time  
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah  
I'm still standing. Yeah, yeah, yeah

Once I never could've hoped to win  
You're starting down the road leaving me again  
The threats you made were meant to cut me down  
And if our love was just a circus you'd be a clown by now

You know I'm still standing better than I ever did  
Looking like a true survivor, feeling like a little kid  
I'm still standing after all this time  
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah  
I'm still standing. Yeah, yeah, yeah

Don't you know that I'm still standing better than I ever did?  
Looking like a true survivor, feeling like a little kid  
And I'm still standing after all this time  
Picking up the pieces of my life without you on my mind

I'm still standing. Yeah, yeah, yeah  
I'm still standing. Yeah, yeah, yeah

I'm still standing. Yeah, yeah, yeah  
I'm still standing. Yeah, yeah, yeah

## "Listen To Your Heart"

I know there's something in the wake of your smile.  
I get a notion from the look in your eyes, yea.  
You've built a love but that love falls apart.  
Your little piece of heaven turns too dark.

Listen to your heart  
When he's calling for you.  
Listen to your heart  
There's nothing else you can do.  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye.

Sometimes you wonder if this fight is worthwhile.  
The precious moments are all lost in the tide, yea.  
They're swept away and nothing is what it seems,  
The feeling of belonging to your dreams.

Listen to your heart  
When he's calling for you.  
Listen to your heart  
There's nothing else you can do.  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye.

And there are voices  
That want to be heard.  
So much to mention  
But you can't find the words.  
The scent of magic,  
The beauty that's been  
When love was wilder than the wind.

Listen to your heart  
Take a listen  
When he's calling for you  
Listen to your heart  
Take a listen  
There's nothing else you can do.  
I don't know where you're going

And I don't know why,  
But listen to your heart  
Before

Listen to your heart  
Take a listen  
When he's calling for you  
Listen to your heart  
Take a listen  
There's nothing else you can do.  
I don't know where you're going  
And I don't know why,  
But listen to your heart  
Before you tell him goodbye.

Listen to your heart  
*[Repeat until the end]*

Take a listen to your heart  
Take a  
Take a listen to your heart

## "Little Lies"

If I could turn the page  
In time then I'd rearrange just a day or two  
Close my, close my, close my eyes  
But I couldn't find a way  
So I'll settle for one day to believe in you

Tell me, tell me, tell me lies  
Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no you can't disguise  
(You can't disguise, no you can't disguise)  
Tell me lies  
Tell me sweet little lies

Although I'm not making plans  
I hope that you understand there's a reason why  
Close your, close your, close your eyes  
No more broken hearts  
We're better off apart let's give it a try

Tell me, tell me, tell me lies  
Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no you can't disguise  
(You can't disguise, no you can't disguise)  
Tell me lies  
Tell me sweet little lies

If I could turn the page  
In time then I'd rearrange just a day or two  
Close my, close my, close my eyes  
But I couldn't find a way  
So I'll settle for one day to believe in you

Tell me, tell me, tell me lies  
Tell me lies  
Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no you can't disguise  
(You can't disguise, no you can't disguise)  
Tell me lies

Tell me sweet little lies  
(Tell me lies, tell me, tell me lies)  
Oh, no, no you can't disguise  
(You can't disguise, no you can't disguise)  
Tell me lies  
Tell me sweet little lies  
(Tell me, tell me lies)

## "Livin' On A Prayer"

Once upon a time, not so long ago

Tommy used to work on the docks  
Union's been on strike, he's down on his luck  
It's tough  
So tough  
Gina works the diner all day  
Working for her man, she brings home her pay  
For love  
Mm, for love

She says, "We've gotta hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot"

Whoa, we're halfway there  
Whoa-oh, living on a prayer  
Take my hand, we'll make it, I swear  
Whoa-oh, living on a prayer

Tommy's got his six-string in hock  
Now he's holding in, when he used to make it talk  
So tough  
Ooh, it's tough  
Gina dreams of running away  
When she cries in the night, Tommy whispers  
"Baby, it's okay  
Someday"

We've gotta hold on to what we've got  
It doesn't make a difference if we make it or not  
We've got each other and that's a lot for love  
We'll give it a shot

Whoa, we're halfway there  
Whoa-oh, living on a prayer  
Take my hand, we'll make it I swear  
Whoa-oh, living on a prayer, living on a prayer

Ooh, we gotta hold on, ready or not  
You live for the fight when that's all that you've got

Whoa, we're halfway there  
Whoa-oh, living on a prayer  
Take my hand and we'll make it, I swear  
Whoa-oh, living on a prayer

Whoa, we're halfway there  
Whoa-oh, living on a prayer  
Take my hand and we'll make it, I swear  
Whoa-oh, living on a prayer

Whoa, we're halfway there  
Whoa-oh, living on a prayer  
Take my hand and we'll make it, I swear  
Whoa-oh, living on a prayer

## "Material Girl"

Some boys kiss me, some boys hug me  
I think they're OK  
If they don't give me proper credit, I just walk away  
They can beg and they can plead  
But they can't see the light, that's right  
'Cause the boy with the cold hard cash is always Mister Right

'Cause we are living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl

Some boys romance, some boys slow dance  
That's all right with me  
If they can't raise my interest, then I have to let them be  
Some boys try, and some boys lie  
But I don't let them play, no way  
Only boys that save their pennies make my rainy day

'Cause we are living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl

Living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl

Living in a material world (material)  
Living in a material world  
Living in a material world (material)  
Living in a material world

Boys may come, and boys may go  
And that's all right, you see  
Experience has made me rich, and now they're after me

'Cause everybody's living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl

Living in a material world  
And I am a material girl  
You know that we are living in a material world  
And I am a material girl

A material, a material, a material, a material world

Living in a material world (material)  
Living in a material world  
Living in a material world (material)  
Living in a material world

Living in a material world (material)  
Living in a material world  
Living in a material world (material)  
Living in a material world

## "Never Too Much"

I can't fool myself, I don't want nobody else to ever love me  
You are my shinin' star, my guiding light, my love fantasy  
There's not a minute, hour, day or night that I don't love you  
You're at the top of my list 'cause I'm always thinkin' of you

I still remember in the days when I was scared to touch you  
How I spent my day dreamin' plannin' how to say I love you  
You must have known that I had feelings deep enough to swim in  
That's when you opened up your heart and you told me to come in

Oh, my love  
A thousand kisses from you is never too much  
I just don't wanna stop

Oh, my love  
A million days in your arms is never too much  
I just don't wanna stop

Too much, never too much, never too much, never too much

Woke up today, looked at your picture just to get me started  
I called you up, but you weren't there and I was broken hearted  
Hung up the phone, can't be too late, the boss is so demandin'  
Opened the door up and to my surprise there you were standin'

Well, who needs to go to work to hustle for another dollar  
I'd rather be with you 'cause you make my heart scream and holler  
Love is a gamble and I'm so glad that I'm winnin'  
We've come a long way and yet this is only the beginnin'

Oh, my love  
A thousand kisses from you is never too much  
(Never too much, never too much, never too much)  
I just don't wanna stop

Oh, my love  
A million days in your arms is never too much  
(Never too much, never too much, never too much)  
And I just don't wanna stop

Oh, my love  
A thousand kisses from you is never  
(Never too much, never too much, never too much)

I just don't wanna stop

Oh, my love

A million days in your arms is never too much

## "Purple Rain"

(from "Purple Rain" soundtrack)

I never meant to cause you any sorrow  
I never meant to cause you any pain  
I only wanted, one time, to see you laughing  
I only want to see you laughing  
In the purple rain

Purple rain, purple rain  
Purple rain, purple rain  
Purple rain, purple rain  
I only want to see you bathing  
In the purple rain

I never wanted to be your weekend lover  
I only wanted to be some kind of friend, hey  
Baby, I could never steal you from another  
It's such a shame our friendship had to end

Purple rain, purple rain  
Purple rain, purple rain  
Purple rain, purple rain  
I only want to see you underneath the purple rain

Honey, I know, I know, I know times are changing  
It's time we all reach out for something new  
That means you, too  
You say you want a leader  
But you can't seem to make up your mind  
I think you better close it  
And let me guide you to the purple rain

Purple rain, purple rain, yeah  
Purple rain, purple rain, woo!  
If you know what I'm singing about up here  
Come on, raise your hand  
Purple rain, purple rain, yeah  
I only want to see you  
Only want to see you in the purple rain

## "Running Up That Hill (A Deal With God)"

It doesn't hurt me  
Do you wanna feel how it feels?  
Do you wanna know, know that it doesn't hurt me?  
Do you wanna hear about the deal that I'm making?  
You, it's you and me

And if I only could  
I'd make a deal with God  
And I'd get him to swap our places  
Be running up that road  
Be running up that hill  
Be running up that building  
Say, if I only could, ooh

You don't wanna hurt me  
But see how deep the bullet lies  
Unaware I'm tearing you asunder  
Ooh, there is thunder in our hearts

Is there so much hate for the ones we love?  
Oh, tell me, we both matter, don't we?  
You, it's you and me  
It's you and me won't be unhappy

And if I only could  
I'd make a deal with God  
And I'd get him to swap our places  
Be running up that road  
Be running up that hill  
Be running up that building  
Say, if I only could, ooh

You  
It's you and me  
It's you and me won't be unhappy

Oh, come on, baby. Oh, come on, darling  
Let me steal this moment from you now  
Oh, come on, angel. Come on, come on, darling  
Let's exchange the experience, ooh

And if I only could  
I'd make a deal with God

And I'd get him to swap our places  
I'd be running up that road  
Be running up that hill  
With no problems

Say, if I only could  
I'd make a deal with God  
And I'd get him to swap our places  
Be running up that road  
Be running up that hill  
With no problems

So if I only could  
And make a deal with God  
I'd get him to swap our places  
I'd be running up that road  
Be running up that hill  
With no problems

So if I only could  
Be running up that hill  
With no problems

If I only could, be running up that hill  
If I only could, be running up that hill

## "Sweet Dreams (Are Made Of This)"

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Hold your head up  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up, movin' on  
Hold your head up, movin' on  
Keep your head up

Some of them want to use you  
Some of them want to get used by you  
Some of them want to abuse you  
Some of them want to be abused

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something  
Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

Sweet dreams are made of this  
Who am I to disagree?  
I've traveled the world and the seven seas  
Everybody's lookin' for something

**"Tainted Love"**  
**(originally by Gloria Jones)**

Sometimes I feel I've got to  
Run away, I've got to  
Get away from the pain you drive into the heart of me  
The love we share  
Seems to go nowhere  
And I've lost my light  
For I toss and turn, I can't sleep at night

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love (oh)  
Tainted love

Now I know I've got to  
Run away, I've got to  
Get away, you don't really want any more from me  
To make things right  
You need someone to hold you tight  
And you think love is to pray  
But I'm sorry, I don't pray that way

Once I ran to you (I ran)  
Now I'll run from you  
This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not nearly all  
Tainted love (oh)  
Tainted love

Don't touch me, please  
I cannot stand the way you tease  
I love you though you hurt me so  
Now I'm gonna pack my things and go

Tainted love (oh)  
Tainted love (oh)  
Tainted love (oh)  
Tainted love (oh)

Touch me, baby, tainted love

Touch me, baby, tainted love

Tainted love (oh)

Tainted love (oh)

Tainted love

Tainted love

## "Shout"

Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you, come on  
Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you, come on

In violent times, you shouldn't have to sell your soul  
In black and white, they really, really ought to know  
Those one-track minds that took you for a working boy  
Kiss them goodbye, you shouldn't have to jump for joy  
You shouldn't have to jump for joy

Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you, come on

They gave you life and in return, you gave them hell  
As cold as ice, I hope we live to tell the tale  
I hope we live to tell the tale

Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you  
Come on  
Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you  
Come on

Shout, shout, let it all out  
(Let it all out)  
These are the things I can do without  
Come on  
I'm talking to you  
Come on

And when you've taken down your guard

If I could change your mind  
I'd really love to break your heart  
I'd really love to break your heart

Shout, shout, let it all out  
These are the things I can do without  
(Break your heart)  
Come on  
(Really love to break your heart)  
I'm talking to you  
Come on  
Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you  
So come on

Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you  
Come on  
(They really, really ought to know)  
Shout, shout, let it all out  
(They really, really ought to know)  
These are the things I can do without  
(They really, really)  
Come on  
I'm talking to you  
(They really, really ought to know)  
Come on

Shout, shout, let it all out  
(I'd really love to break your heart)  
These are the things I can do without  
(I'd really love to break your heart)  
Come on  
I'm talking to you  
So come on

Shout, shout, let it all out  
These are the things I can do without  
Come on  
I'm talking to you

## "The Final Countdown"

Ten, nine, eight, seven, six, five, four, three, two, one.

We're leaving together,  
But still it's farewell.  
And maybe we'll come back  
To earth, who can tell?

I guess there is no one to blame.  
We're leaving ground (leaving ground).  
Will things ever be the same again?

It's the final countdown.  
The final countdown.

We're heading for Venus (Venus).  
And still we stand tall.  
'Cause maybe they've seen us.  
And welcome us all, yeah.

With so many light years to go  
And things to be found (to be found)  
I'm sure that we'll all miss her so.

It's the final countdown.  
The final countdown.  
The final countdown.

The final countdown.

It's the final countdown.  
The final countdown.  
The final countdown.

It's the final countdown.  
We're leaving together.  
The final countdown.  
We'll all miss her so.  
It's the final countdown.

It's the final countdown.

## "The Power Of Love"

(from "Back To The Future" soundtrack)

The power of love is a curious thing  
Make a one man weep, make another man sing  
Change a hawk to a little white dove  
More than a feeling that's the power of love

Tougher than diamonds, rich like cream  
Stronger and harder than a bad girl's dream  
Make a bad one good make a wrong one right  
Power of love that keeps you home at night

*[Chorus 1:]*

You don't need money, don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden and it's cruel sometimes  
But it might just save your life  
That's the power of love  
That's the power of love

First time you feel it, it might make you sad  
Next time you feel it it might make you mad  
But you'll be glad baby when you've found  
That's the power makes the world go'round

*[Chorus 2:]*

And it don't take money, don't take fame  
Don't need no credit card to ride this train  
It's strong and it's sudden it can be cruel sometimes  
But it might just save your life

They say that all in love is fair  
Yeah, but you don't care  
But you'll know what to do  
When it gets hold of you  
And with a little help from above  
You feel the power of love  
You feel the power of love  
Can you feel it?  
Hmmm

*[Chorus 3:]*

It don't take money and it don't take fame  
Don't need no credit card to ride this train

Tougher than diamonds and stronger than steel  
You won't feel nothin' till you feel  
You feel the power, just feel the power of love  
That's the power, that's the power of love  
You feel the power of love  
You feel the power of love  
Feel the power of love

## "Walking On Sunshine"

Ow

Mm, yeah

I used to think maybe you loved me, now, baby, I'm sure  
And I just can't wait till the day when you knock on my door  
Now every time I go for the mailbox, gotta hold myself down  
'Cause I just can't wait till you write me you're coming around

I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
And don't it feel good  
Hey, all right now  
And don't it feel good  
Hey, yeah

I used to think maybe you loved me, now I know that it's true  
And I don't want to spend my whole life just a-waiting for you  
Now, I don't want you back for the weekend, not back for a day, no, no, no  
I said, baby, I just want you back, and I want you to stay

Oh, yeah, now I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
And don't it feel good  
Hey, all right now  
And don't it feel good  
Yeah, oh, yeah, now  
And don't it feel good

Walking on sunshine  
Walking on sunshine

I feel alive, I feel the love, I feel the love that's really real  
I feel alive, I feel the love, I feel the love that's really real  
I'm on sunshine, baby, oh  
Oh, yeah, I'm on sunshine, baby

Oh, I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
I'm walking on sunshine, whoa  
And don't it feel good  
Hey, all right now

And don't it feel good  
I'll say it, I'll say it, I'll say it again now  
And don't it feel good  
Hey, yeah now  
And don't it feel good  
Now don't it, don't it, don't it, don't it, don't it, don't it  
And don't it feel good  
I'll say it, I'll say it, I'll say it again now  
And don't it feel good  
Now don't it, don't it, don't it, don't it, don't it, don't it  
And don't it feel good  
Now tell me, tell me, tell me again now  
And don't it feel good  
Oh, yeah, now  
And don't it feel good  
Oh, don't it feel good, don't it feel good  
Now don't it feel good  
Oh, yeah, oh, yeah, oh, yeah  
And don't it feel good  
Oh, yeah, yeah, yeah, oh, yeah, oh, yeah  
And don't it feel good

## "Wicked Game"

The world was on fire and no one could save me but you  
It's strange what desire will make foolish people do  
I never dreamed that I'd meet somebody like you  
And I never dreamed that I'd lose somebody like you

No, I don't wanna fall in love  
(This world is only gonna break your heart)  
No, I don't wanna fall in love  
(This world is only gonna break your heart)  
With you, with you (With you)  
(This world is only gonna break your heart)

What a wicked game we play, to make me feel this way  
What a wicked thing to do, to let me dream of you  
What a wicked thing to say, you never felt this way  
What a wicked thing to do, to make me dream of you

And I don't wanna fall in love  
(This world is only gonna break your heart)  
No, I don't wanna fall in love  
(This world is only gonna break your heart)  
With you

The world was on fire and no one could save me but you  
It's strange what desire will make foolish people do  
I never dreamed that I'd love somebody like you  
And I never dreamed that I'd lose somebody like you

No, I don't wanna fall in love  
(This world is only gonna break your heart)  
No, I don't wanna fall in love  
(This world is only gonna break your heart)  
With you (With you)  
(This world is only gonna break your heart)  
With you (With you)  
(This world is only gonna break your heart)  
No, I... (This world is only gonna break your heart)  
(This world is only gonna break your heart)

Nobody loves no one

## "With Or Without You"

See the stone set in your eyes  
See the thorn twist in your side  
I'll wait for you  
Sleight of hand and twist of fate  
On a bed of nails she makes me wait  
And I wait without you

With or without you  
With or without you

Through the storm, we reach the shore  
You give it all but I want more  
And I'm waiting for you

With or without you  
With or without you, ah-ah  
I can't live with or without you

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

My hands are tied, my body bruised  
She got me with nothing to win  
And nothing left to lose

And you give yourself away  
And you give yourself away  
And you give, and you give  
And you give yourself away

With or without you  
With or without you, ohh  
I can't live with or without you

With or without you  
With or without you, ohh  
I can't live with or without you  
With or without you
